GOVERNMENT NOTICE.

THE attention of Bye Road Commissioners is hereby called to the following Instructions, and to the second, third, fourth, fifth, sixth, seventh, eighth, and ninth Sections of the Act 22 Victoria, Chapter 13, to which they are enjoined strictly to adhere; and on sending their Accounts to the *Auditor General*, as required, they are to make Reports to the Lieutenant Governor of the state of the Roads; in which Reports are to be noted any alterations that may have been made in them, and also the state and number of the Bridges on the Lines under their charge.

The several Commissioners appointed to expend the Road Grants of 1859 are hereby directed and required to send in their Accounts to the Auditor General on or before the tenth day of October next, and are strictly enjoined to keep the expenditure within the amount of the sums granted; and in cases where they may consider that injury or inconvenience would result from delay in executing work which would require a further outlay, they are to report the circumstances to the Government, and are on no account to take upon themselves to expend more than the sums entrusted to them; and in case of any deviation from this rule, they will be surcharged with the amount so expended.

No payment is to be made to any person for Work or Materials on Roads and Bridges except in Cash, or Bank Notes, or in Cheque *bona fide* payable at sight.

No Order for Goods on Store or Shop is to be tendered or given in payment for Work or Materials of any kind.

No Commissioner is allowed to set off Money due for Work or Materials on the public account, against any claim or debt due to himself or others, nor receive any allowance as percentage on Goods, Materials or Provisions furnished for the Public Service, on any pretence whatever.

The fact of any violation of these Rules will be brought before His Excellency and the Council, in order that the unfitness of the person violating them may be specially recorded.
