THE ALBION.

THE "ALBION," having been in existence more than one third of a century, is widely known throughout the British North American Provinces and the United States, as a thoroughly independent Journal. Its pages are largely occupied with the cream of English Periodical Literature, and the best criticisms furnished by the press. To these are added such notices of the current events of the day, as are deemed to be of interest to a circle of intelligent readers. The whole furnishes, it is believed, a valuable weekly budget of information and entertainment. It is published every Saturday morning in the City of New York.

PREMIUM ENGRAVINGS.

Subscribers on payment of the annual subscription, (six dollars) are entitled to one of the engravings issued annually and expressly for their use.

The Presentation Plate for 1859, (General Havelock,) is considered superior to any engraving hitherto issued, and is worth nearly the price of a year's subscription. It is executed in the highest style of art.

Persons wishing to take the Albion can apply direct to the publishers, or through any respectable Bookseller in the Province. Those in Fredericton, or its vicinity, are requested to leave their names with Mr. S. R. Miller, who will order for them.

Be it enacted by the Lieutenant Governor, Legislative Council and Assembly, as follows:—

1. A legal settlement in any Parish in this Province shall be gained, so as to subject and oblige such Parish to relieve and support the persons gaining the same in case they become poor and stand in need of relief, by the ways and means following:—

First—Every person of the age of twenty one years who, after the passing of this Act, shall be a resident and inhabitant of any Parish in this Province for one year, and shall not during that term receive any relief as a Pauper from the Parish;

Second—A married woman shall always follow and have the settlement of her husband, if he have any within the Province; otherwise her own at the time of marriage, if she then had any, shall not be lost or suspended by the marriage;

Fourth—Illegitimate children shall follow and have the settlement of their mother at the time of their birth, if she have any within the Province; but neither legitimate or illegitimate children shall gain a settlement by birth in the places where they may be born, if neither of their parents then have any settlement there;

Fifth—Any minor who shall serve an apprenticeship to any lawful trade for the space of four years in any Parish, and being of the age of twenty one years at the expiration of such term, shall thereby gain a settlement in such Parish.
