A BILL

Relating to the Settlement and Support of the Poor of this Province.

Be it enacted by the Lieutenant Governor, Legislative Council, and Assembly, as follows:—

1. A legal settlement in any Parish in this Province shall be gained, so as to subject and oblige such Parish to relieve and support the persons gaining the same in case they become poor and stand in need of relief, by the ways and means following:—

First—Every person of the age of twenty one years who, after the passing of this Act, shall be a resident and inhabitant of any Parish in this Province for one year, and shall not during that term receive any relief as a Pauper from the Parish;

Second—A married woman shall always follow and have the settlement of her husband, if he have any within the Province; otherwise her own at the time of marriage, if she then had any, shall not be lost or suspended by the marriage;

Third—Legitimate children shall follow and have the settlement of their father, if he have any within the Province, till they gain a settlement of their own; but if he have none, they shall in like manner follow and have the settlement of their mother if she have any;

Fourth—Illegitimate children shall follow and have the settlement of their mother at the time of their birth, if she have any within the Province; but neither legitimate or illegitimate children shall gain a settlement by birth in the places where they may be born, if neither of their parents then have any settlement there;

Fifth—Any minor who shall serve an apprenticeship to any lawful trade for the space of four years in any Parish, and being of the age of twenty one years at the expiration of such term, shall thereby gain a settlement in such Parish.

2. All settlements acquired under this Act shall remain until lost by gaining others in some of the modes hereinbefore specified, and upon such settlement being gained all former ones shall be defeated and lost.

3. The Overseers of the Poor in their respective Parishes shall provide for the immediate support and relief of all persons residing or found therein, not belonging thereto, but having lawful settlements in some other Parish, when they shall fall into distress and stand in need of immediate relief, and until they shall be removed to the places of their lawful settlements; the expenses whereof incurred within three months next before written notice given to the Overseers of the Parish, to be charged, as also of their removal, or of their burial in case of their decease, may be sued for and recovered by the Overseers of the Parish incurring the same, against the Overseers of the Poor of the Parish which is liable therefor, in an action at law; provided that such action for damages shall be commenced within two years after the cause of action shall have arisen but not otherwise.

4. A recovery in such action shall bar the Overseers of the Poor of the Parish against whom it shall be had from disputing the settlement of such Pauper with the Overseers of the Poor of the Parish so recovering in any future action brought for the support of such Pauper.
