

he wishes, in particular, to express his sense of the untiring zeal and efficiency with which Lieutenant Colonel Hayne, Commanding the New Brunswick Regiment of Artillery, the Adjutant General of Militia, performed the laborious and important duties of making the necessary preparations for the contest, as well as of regulating, under the immediate direction of His Excellency the Commander in Chief, the proceedings of the competitors and the general Military arrangements of the week.

His Excellency cannot conclude these General Orders without expressing an earnest hope that the Volunteer Militia of New Brunswick will, in preparing themselves for the competition of 1862, bear in mind that the Prince of Wales' Challenge Cup, is a gratifying mark of the interest which His Royal Highness has been pleased to take in the Military efficiency of this Force; and he trusts that they will, by the regular and orderly performance of their military duties, as well as by their skill as marksmen, prove themselves worthy competitors for this Prize.

*By Command.*

R. HAYNE, *Lt. Col.*  
*Adj. Gen. Militia.*
