

The Royal Gazette.

Vol. 19.]

FREDERICTON, N. B., WEDNESDAY, NOVEMBER 6, 1861.

[PAGE 310]

Official Notifications appearing in this Paper, duly authenticated, are to be received as such by the persons whom they may concern.

BY AUTHORITY.

By His Excellency The Honorable ARTHUR HAMILTON GORDON, Knight Companion of the Most Distinguished Order of Saint Michael and Saint George, Lieutenant Governor and Commander in Chief of the Province of Brunswick, &c. &c. &c.

ARTHUR HAMILTON GORDON.

A PROCLAMATION.

HER Majesty having been pleased, by Her Royal Commission this day published, to constitute and appoint me to be Lieutenant Governor of this Province of New Brunswick, the Administration of the Government of which I have this day assumed, I do therefore publish this Proclamation, of which all persons concerned are required to take due notice and govern themselves accordingly.

Given under my Hand and Seal, at Fredericton, the twenty sixth day of October, in the year of our Lord one thousand eight hundred and sixty one, and in the twenty fifth year of Her Majesty's Reign.

By His Excellency's Command.

S. L. TILLEY.

By His Excellency The Honorable ARTHUR HAMILTON GORDON, C. M. G., Lieut. Governor and Commander in Chief of the Province of New Brunswick, &c. &c. &c.

ARTHUR H. GORDON.

A PROCLAMATION.

WHEREAS the General Assembly of this Province stands prorogued to Thursday the fourteenth day of November next, I have thought fit further to prorogue the said General Assembly, and the same is hereby prorogued accordingly to Thursday the twelfth day of December next.

Given under my Hand and Seal, at Fredericton, the twenty ninth day of October, in the year of our Lord one thousand eight hundred and sixty one, and in the twenty fifth year of Her Majesty's Reign.

By His Excellency's Command.

S. L. TILLEY.

GOVERNMENT NOTICE.

HIS Excellency the Lieutenant Governor having received from the Officer charged with the Survey of the Gulf of St. Lawrence, the following information as to dangers existing on the Coast of Nova Scotia and Newfoundland, not previously noted in the Charts, deems it right to give publicity to the same, for the use of all Ship Masters, Mariners, and others whom it may concern.

R. FULTON, Acting Secretary.

Secretary's Office, 4th Nov. 1861.

HALIFAX HARBOR.—A Rock with 14 feet least water, lies 50 fathoms from the end of Lyle's Wharf, and bears from Government House E. $\frac{1}{4}$ S. 180 fathoms. It lies within the 5 fathom line of the Admiralty Chart, but in passing up the

Harbor, no vessel of size should approach the wharves until well passed this bearing from Government House. If York Redoubt be kept open of the wharves this will be cleared.

NEWFOUNDLAND.—Freels Rock with 24 feet water, the only danger off Cape Pine, bears from Cape Pine Light W. $\frac{1}{4}$ S. distant 2 $\frac{1}{2}$ miles. In running along the land to the westward, it may be cleared by not shutting in any of the land of Cape Mutton until Cape English come in sight.

CAPE ST. MARY should be approached with caution,—the following Rocks have been lately discovered:—

Between St. Mary's Cays and the Cape, and bearing from the Light S.W. by S. 5.2 miles, is the False Cay with 12 feet least water.

LANCE ROCK with 12 feet least water, lies S. W. from Point Lance, distant 2 miles.

IN ST. MARY'S BAY, on the east side of the Cape, $5\frac{1}{2}$ miles E $\frac{1}{4}$ S. from Point Lance, and S.W. $\frac{1}{4}$ W. 1.90 miles from Hares Ears, is Red Cove Rock with 18 feet water; and $5\frac{1}{2}$ miles E. by N. from this, and S. $\frac{1}{4}$ E. 2 miles from Red Head, is Red Head Rock with 24 least water.

IN PLACENTIA BAY, on the west side of the Cape, there is Perch Rock, 15 feet water, 5.70 miles N. by W. from the Light.

NEST ROCK, 9 feet water, 6.20 miles north from the Light.

CURSLETT ROCK, 12 feet water, 1.85 miles W. by S. from Point Brene.

PATRICK ROCK 9, feet water, N. E. by N. 3.30 miles from Point Brene.

SOUTH ROCK, 9 feet water, 1.70 miles S. W. by S. from the Virgin Rocks.

FALSE GIRDLE, 6 feet water, S.S.W. $\frac{1}{4}$ W. 1.40 miles from the Virgin Rocks.

GIBRALTAR ROCK, lying 1.25 miles west from Point Verde, has only 4 feet water, instead of 8 feet as given in the old Charts.

PLACENTIA HARBOR has now only 10 feet water at the entrance, instead of 18 feet as at the time of Cook's Survey.

BURIN.—On the west side of Placentia Bay.

MORTIER ROCK, 18 feet on Mortier Bank, lies E. by S. $\frac{1}{4}$ S. from Burin Light House, distant 6.40 miles.

Near the South entrance to Burin Harbor, 660 fathoms S. by E. from Little Burin Island, lies Emberley Rock, with 24 feet water.

And S. W. by S. 230 fathoms from Cat Island, lies Cockle Rock, with 18 feet of water.

Also west 170 fathoms from Poor Island lies Poor Rock, with 12 feet of water.

Within the entrance and half a mile E. N. E. from Neck Point, and 100 fathoms from the shore of Burin Island, lies Mine Rock with 10 feet of water.

Off Sauker Head there are two Rocks instead of one, the outer with 21 feet lies S. by E. $\frac{3}{4}$ E. 250 fathoms from the Head.

Off Small Point W. by S. $\frac{1}{4}$ S. 350 fathoms, lies Bass Rock with 20 feet water.

LA POILE.—La Poile Bay, 36 miles E. N. E. from Cape Ray, is now distinguished by a Beacon erected on the western point of entrance, and also a Beacon on Ireland Island, eastern side of entrance.

JOHN ORLEBAR, CAPTAIN,

In charge of Gulf St. Lawrence and Newfoundland Survey.

(813)

CROWN LAND OFFICE, November 5, 1861.

THE undermentioned Lots of Crown Land will be offered for sale by Public Auction on Tuesday the third day of December next, at noon, by the respective Deputies, at their Offices, agreeably to the Regulations of 22nd April 1861, and no sale on credit will be made to any person who is indebted to the Crown for previous purchases.
