### NOTICE.

THE continued depression of business and the consequent difficulties experienced in making the resources of the Central Bank immediately available to meet the exigencies of the times, have rendered it advisable, in the opinion of the Directors, to consult with the Stockholders at the earliest possible period, upon the best course to be pursued under existing circumstances.

In the meantime business will be confined solely to the receiving of payments due to the Bank.

This announcement, it is hoped, will not lead to any unnecessary alarm on the part of those who may hold the Paper of the Bank, as no doubt need be entertained of its being fully redeemed.
