BY AUTHORITY.

PROVINCIAL APPOINTMENT.

REUBEN CALHOUN, Esquire, to be a Coroner in the County of Albert.

By His Excellency's Command.

S. L. TILLEY.

Secretary's Office, 18th April, 1862.

LEGISLATIVE COUNCIL CHAMBER,

FREDERICTON, 23rd April, 1862.

THIS day at eleven o'clock His Excellency the Lieutenant Governor came in the usual state to the Council Chamber, and being seated on the Throne, commanded the attendance of the House of Assembly, who being come, His Excellency was pleased to close the Session with the following SPEECH:—

"Mr. President, and Honorable Gentlemen of the Legislative Council,

"Mr. Speaker, and Gentlemen of the House of Assembly,

"THE state of the Public business enables me to release you for the present from further attendance to your Legislative duties.

Your Addresses of Condolence upon the occasion of the Death of His late Royal Highness the PRINCE CONSORT, have reached Great Britain, but had not been laid before the Queen at the date of the last Despatches which I have received. The expression of your sympathy cannot fail to be appreciated, as it deserves, by Her Majesty.

Your attention has been chiefly occupied by the consideration of measures rendered necessary by a diminution of some of the ordinary sources of Revenue, arising mainly from the disturbed state of Commercial transactions consequent upon the unhappy War which rages on this Continent. I trust the measures which you have adopted will prove sufficient for the attainment of the desired object, without pressing unduly upon any portion of the community.

The Bill for the re-organization of the Militia has received my ready assent. I rejoice to perceive that you do not shrink from the practical acknowledgment of those duties which are inseparable from the enjoyment of the political privileges you now possess. Should a need for the active services of the Militia unhappily arise, the advantage of having paid some previous attention to its efficiency in time of peace will immediately be recognized. You may rely upon such an application of the Funds granted for this purpose, as shall most effectually contribute to the promotion of the objects contemplated by you. The gallant spirit of the Province has been manifested by the readiness of its youth to volunteer their active services; and to the existing Volunteers Companies of Militia I look for that cheerful and ready support, without which the construction of a new, or the re-construction of a long desired organization, becomes a work of so much difficulty and discouragement.

"The Correspondence with the Imperial Government on the subject of the Inter-Colonial Railway, is not yet closed; and I regret that I am therefore unable to lay it before you, as I had hoped to do, previous to the close of the Session.

"Mr. Speaker, and Gentlemen of the House of Assembly,

"I thank you for the Supplies which you have granted for the service of the year.

"Mr. President, and Honorable Gentlemen of the Legislative Council,

"Mr. Speaker, and Gentlemen of the House of Assembly,

"You are about to return to your respective Counties, there to resume your ordinary avocations, different indeed in character, but not less honorable or important than those which you have here discharged. It is on the spirit in which the Institutions of a State are cherished and revered, as much as on their letter, that its well-being depends; and so long as license and turbulence are feared by the people, and law and order dear to them, we need not apprehend that any temporary check will seriously impede the social material progress of the Province.

"Your influence and example will, I doubt not, be employed in fostering and maintaining that spirit of content and satisfaction which, I rejoice to believe, animates a Province proud of its own local privileges, and equally proud of forming a portion of the vast dominions of the Queen."
