

MILITIA GENERAL ORDERS.

HEAD QUARTERS, FREDERICTON, 14th October, 1862.

No. 1.

HIS Excellency the Commander in Chief directs it to be announced that the Winner of His Royal Highness the Prince of Wales's Challenge Cup for 1862, is Gunner EDWARD JONES, of Capt. B. Lester Peters's Battery, N. B. Regt. of Artillery.

No. 2.

HIS Excellency the Commander in Chief feels much pleasure in recording his approval of the orderly behaviour of the Volunteer Militia of this Province who were present during the past week at Mount Fordham, as competitors or as spectators.

His Excellency takes this opportunity of thanking Capt. Simonds and Capt. Marsh, 1st Battalion York County Militia, together with the Officers, Non-Commissioned Officers and Men under their command, for the spirited manner in which they undertook to encamp at Mount Fordham during the competition. He wishes to convey his grateful sense of their efficiency in Guard and Picquet duties, and congratulates them upon their soldierlike appearance and the marked improvement in drill and marching produced by their three days' service under canvas.

His Excellency desires to offer his best thanks to Colonel Cole, Commanding the Forces in New Brunswick, for the willingness with which he offered every assistance to the Volunteer Force, and for the kind manner in which he placed at the disposal of the Acting Adjutant General of Militia the services of Non-Commissioned Officers and Men of Her Majesty's 15th Regiment.

To Lieutenant Willis, of Her Majesty's 15th Regiment, His Excellency wishes to intimate his great obligation for the satisfactory manner in which he discharged his duties of Umpire upon this occasion.

His Excellency wishes to call to the attention of the Volunteer Militia the fact that the Target Practice is an improvement upon that made on a similar occasion last year, but he cannot conclude without urging the necessity for still farther improvement, and expressing his hopes that in 1863 every effective Volunteer of New Brunswick may prove a good marksman.

No. 3.

HIS Excellency the Commander in Chief has been pleased to direct that the undermentioned details of the Shooting for His Royal Highness the Prince of Wales's Challenge Cup be published for general information.
