No. 9.

By the General Order, No. 2, of 3rd October last, a Silver Medal was offered by His Excellency the Lieut. Governor in Council, to each Volunteer Company of Militia, to be competed for under certain regulations, and the Returns of the competition were directed to be sent in to the Office of the Adjutant General before 30th November.

The names of the Companies complying with this Order, with those of the winners of the Medals, were published in the Royal Gazette of 10th December.

Several Returns of the competition for the above Medal have, however, been sent in subsequently to the time fixed for that purpose, and in one instance at so late a period as the 29th December.

The regulations under which the Medal was offered, were few and simple, and by non-compliance with them, all claim to it has been lost.

His Excellency the Commander in Chief, however, taking into consideration the as yet imperfectly organized condition of the Militia Force, and unwilling to act with severity, or inflict disappointment on those who obtained the requisite number of points, has determined on this occasion in every instance where Returns were sent in within a fortnight from the day fixed in the original Order, to grant the Medal which has been justly forfeited by these Companies through the neglect of their Commanding Officers.

At the same time, His Excellency desires that it may be distinctly understood that when Orders are issued it is essentially necessary that they should be obeyed, and that in future a rigid adherence to regulations laid down will, invariably, be exacted.

NEW BRUNSWICK.

HOUSE OF ASSEMBLY.

THE following was adopted as one of the Standing Rules of the House in the Session of 1862:—
