The coat, collar, and cuffs, edged with white cloth a quarter of an inch wide, and the skirts lined with white. On the left shoulder a crimson silk cord with a button to retain the sash. An outside pocket on the left breast.

The Field Officers to wear the usual badges in *gold* at each end of the collar; and a Colonel and Lieut. Colonel to be distinguished by a *gold* crown; a Major by a *gold* star at the point of each cuff.

The other Officers to wear badges in silver upon the collar only.

**BUTTONS.**—Bronze, according to the sealed pattern, that upon the shoulder being small.

**CAP.**—Black cloth without peak, and made according to the approved pattern, which admits of being turned down over the ears as a protection in winter. Red cloth binding, two thirds of an inch deep, and red piping round the crown. The badge in front to be a *gold* crown for Field Officers, a *silver* one for other Officers.

**TROUSERS.**—Dark cloth or homespun, of one uniform color and material for each Battalion, with a scarlet welt, quarter inch broad, down the outward seam.

**SASH.**—Regulation crimson silk, the ends of the fringe not to hang below the skirt. To be worn diagonally over the left shoulder.

**SWORD.**—Infantry Regulation, with steel scabbard; brass scabbard for Field Officers. The sword knot to be a crimson and gold strap with acorn head.

**SWORD BELT.**—Regulation, of enamelled white leather, to be worn over the coat. The clasp to be of bronze according to approved pattern. Both it and the buttons may be procured from Messrs. Firmin, 153 Strand, London, or in the Province.

**GLOVES.**—White leather.

**SPURS.**—Yellow metal, crane neck, two inches long for Field Officers. Steel of same pattern for Adjutants.

Regimental Staff Officers, excepting the Adjutant, will be distinguished by black leather sword belts, and will not wear the sash.

#### SERGEANTS AND RANK AND FILE.

**COAT.**—Similar to that of the officers, but without badges and with no white edging upon any part. The edges of the coat and facings will be finished by an inner seam. The shoulder straps (and chevrons for Non-Commissioned Officers) to be similar to those in Her Majesty's Infantry. The Battalion is to be marked by the color of the facing, the County by a letter or letters upon the straps.

**TROUSERS AND CAP.**—Similar to those of the officers, excepting that upon the cap the badge will be a bronze bugle.

His Excellency the Commander in Chief desires that from the present date, Officers commanding Battalions and Companies, will not procure any new uniforms, excepting of the above described pattern. In cases, however, where special application may be made, and where it may appear desirable, His Excellency will permit one Company in each Battalion to retain a distinctive uniform.

The coats made from the cloth given by the Provincial Government, can be procured only from the person whose tender may be accepted. They will be made in three sizes, and probably in very few cases will any alteration be found necessary.

Should Officers desire cloth of a finer texture *for their own uniform*, they will adhere strictly to the above regulations in having it made up.

It will be optional for Officers to provide themselves with an undress uniform. In those cases the forage cap and blue frock coat, as worn in Her Majesty's Infantry, will be adopted: the buttons, bronze of the sealed pattern; and the badge for cap, the same as that already described.

By Command.

THOMAS M. CROWDER,  
Lt. Col., Adj. Gen.
