TENDERS

FOR STEAMERS IN THE GULF.

PROPOSALS addressed to the Chief Commissioner will be received at the Department of Public Works, Fredericton, until noon of Friday the 20th February next, for the following service during a period of four years:—

To run a good and well-appointed sea-going Steamer or Steamers, adapted both for the carrying trade and the conveyance of passengers, of such power, size, speed and capacity, as may be fully adequate to the required duty, once a week each way, between Shediac and Campbellton, touching at the intermediate Ports of Richibucto, Chatham, Newcastle, Bathurst, and Dalhousie, during the open season.

Also will be received like proposals for a Steamer to perform an additional trip per week each way, between Shediac, Richibucto, Chatham, and Newcastle, during the same period.

The proposals are to specify the sum required for each service, the size, capacity, age, and character of the vessel or vessels proposed to be used, with the kind and condition of the boilers and machinery; and to include a tariff of the proposed rates of freight and passage between the several Ports above named.

The required Steamer or Steamers are intended to run in connection with the Railway terminating at Shediac, to carry Mails if so directed, and to be under such rules and regulations as to hours of departure, tariff, and other particulars, as the Department may from time to time prescribe.

GEO. L. HATHEWAY,

Department Public Works, Chief Commissioner.
