MILITIA GENERAL ORDERS.

HEAD QUARTERS, FREDERICTON, 15th April, 1863.

No. 14.

HIS Excellency the Commander in Chief has been pleased to direct the following Letter to be published for general information:—

Fredericton, 11th April, 1863.

SIR,—I have the honor to inform Your Excellency that the lowest Tender for making the Volunteer Uniforms is \$2.50 for each Coat. There are two Tenders at this price, one from Mr. Thompson, in St. John, and the other from Mr. Howie, in Fredericton. Mr. Thompson can not agree to make more than twenty Coats per week during the months of May and June, whereas Mr. Howie will undertake to furnish thirty or forty; for which reason, I would submit to Your Excellency that it would be most advisable to accept the tender sent in by Mr. Howie.

I have, &c. &c.

THOMAS M. CROWDER, *Lt. Col., Adj. Gen.*

HIS Excellency the Commander in Chief.

The Tender sent in by Mr. Howie has accordingly been accepted. The price to be paid by Volunteers for each coat, including buttons and numbers on the shoulder straps, will be two dollars and eighty cents.

No. 15.

Captains of Militia who wish to receive Uniforms for the Companies under their command, are requested to make application at the Office of the Adjutant General.

On approval of the application, a pattern cap and one coat of each size will be forwarded to the Captain, who will then send in a Requisition for the number of each size required by his men. These will be supplied as soon as practicable. Caps can be furnished by Mr. Whittaker, Prince William Street, St. John; but, should they be procured elsewhere, they must be made strictly according to the prescribed pattern.

The coat, buttons, bugles for caps, and other articles supplied from Head Quarters, will be charged against Captains of Companies, and are to be paid for immediately upon application for the amount.

The Militia of each County will be distinguished by a number upon the shoulder strap, and Battalions by their facings. All first Battalions will wear *Royal* facings, all second *sky blue*, all third *yellow*, and all fourth *white*.—Thus the County of a Volunteer in uniform will be immediately known by his number, the Battalion by his facing.

The Counties will be numbered in the following order, in accordance with the precedent furnished by the Militia List of 1851, where such is the successive arrangement of the Regiments:—

York,	1	Albert,	10
St. John City Lt. Infantry, ...	2	Northumberland,	11
St. John City Rifles,	3	Restigouche,	12
St. John Sea Fencibles,	4	Gloucester,	13
St. John County,	5	Kent,	14
Queen's N. B. Rangers,	6	King's,	15
Sunbury,	7	Queen's,	16
Charlotte,	8	Carleton,	17
Westmorland,	9	Victoria,	18

By Command.

THOMAS M. CROWDER,
Lt. Col., Adj. Gen.
