

transmit before the 1st August 1866, to the Science and Art Department, South Kensington, the space which the Colony proposes to occupy, divided into the respective ten groups, (which several divisions will be taken as the basis for the final arrangement in the Exhibition Building and Park,) together with a list of the names and addresses of the exhibitors in each class.

My Lords request that all letters from the Colonies may be addressed to the Secretary, Science and Art Department, South Kensington, London.

I have, &c. (Signed) HENRY COLE.  
The Under-Secretary of State for the Colonies.

#### GOVERNMENT NOTICE.

G. J. MAUNSELL, Lt. Col.  
Adj. Gen. of Militia.

#### PUBLIC NOTICE.

POST OFFICE DEPARTMENT,  
Fredericton, N. B., 8th December, 1865.

ARRANGEMENTS have been entered into between the Postal Authorities of the United States and the Post Office Department of this Province, that all prepaid Correspondence between New Brunswick and British Columbia and the Hudson Bay Territory, be allowed for the present to pass in the Mails of the United States to and from New Brunswick.

W. H. ODELL, Postmaster General.

#### POST OFFICE NOTICE.

THE following Modifications of the existing Regulations in reference to PATTERN POST between New Brunswick and the United Kingdom, have been concurred in, to go into operation on the 1st day of January next:—

1st. The removal of the prohibition against the transmission of articles of intrinsic value by the Pattern and Sample Post. This change has been made in consequence of the difficulty which has been experienced in deciding what is, and what is not, a pattern or sample of merchandise of intrinsic value.

2nd. Samples of seeds, drugs, and similar articles intended for delivery within the United Kingdom, are now allowed to be sent in bags entirely closed, provided such bags be transparent, so that the Officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

3rd. The rule which prohibited the transmission through the Post, as patterns of articles of cutlery, &c., has been rescinded; and scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like articles, are now allowed to be forwarded by the post as samples, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the Mail bags, and to the persons of the Officers of the Post Office. Such articles, however, must be so packed that they may be easily ex-

amined; and it is made a rule, that any packet containing such articles, which may be found to be insufficiently guarded, shall not be forwarded through the Post.

12th December, 1865. W. H. ODELL,  
Postmaster General.

(No. 268.)

CROWN LAND OFFICE, Dec. 5, 1865.
