### A PROCLAMATION.

WHEREAS the General Assembly of this Province stands prorogued to Thursday, the thirtieth instant, I have thought fit further to prorogue the said General Assembly, and the same is hereby prorogued accordingly to Thursday, the eleventh day of January next.

Given under my Hand and Seal at Fredericton, the twenty ninth day of November, in the year of our Lord one thousand eight hundred and sixty five, and in the twenty ninth year of Her Majesty's Reign.

### PUBLIC NOTICE.

POST OFFICE DEPARTMENT,  
Fredericton, N. B., 8th December, 1865.

ARRANGEMENTS have been entered into between the Postal Authorities of the United States and the Post Office Department of this Province, that all prepaid Correspondence between New Brunswick and British Columbia and the Hudson Bay Territory, be allowed for the present to pass in the Mails of the United States to and from New Brunswick.

W. H. ODELL, Postmaster General.

### POST OFFICE NOTICE.

THE following Modifications of the existing Regulations in reference to PATTERN POST between New Brunswick and the United Kingdom, have been concurred in, to go into operation on the 1st day of January next:—

1st. The removal of the prohibition against the transmission of articles of intrinsic value by the Pattern and Sample Post. This change has been made in consequence of the difficulty which has been experienced in deciding what is, and what is not, a pattern or sample of merchandise of intrinsic value.

2nd. Samples of seeds, drugs, and similar articles intended for delivery within the United Kingdom, are now allowed to be sent in bags entirely closed, provided such bags be transparent, so that the Officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

3rd. The rule which prohibited the transmission through the Post, as patterns of articles of cutlery, &c., has been rescinded; and scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like articles, are now allowed to be forwarded by the post as samples, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the Mail bags, and to the persons of the Officers of the Post Office. Such articles, however, must be so packed that they may be easily examined; and it is made a rule, that any packet containing such articles, which may be found to be insufficiently guarded, shall not be forwarded through the Post.

W. H. ODELL,

12th December, 1865.

Postmaster General.
