A BILL

To promote and regulate Reformatory Schools for Juvenile Offenders, in the Province of New Brunswick.

WHEREAS it is expedient and necessary to provide for the establishment and regulation of Reformatory Schools for the better training of Juvenile Offenders in this Province;—

Be it therefore enacted by the Lieutenant Governor, Legislative Council, and Assembly, as follows:—

1. When five or more persons shall form themselves into an Association for the purpose of establishing a Reformatory School, and shall shew to the satisfaction of the Governor in Council that they have provided suitable buildings and grounds for the purposes of such an Institution, and that they have made due provision for the safe keeping, supervision, and training of such Juvenile offenders as may from time to time be entrusted to their care, it shall and may be lawful for the Governor in Council to declare such School a Reformatory School, to be managed, conducted and governed under the provisions of this Act, and to grant a Certificate to that effect to the managers of such School; notice that such Certificate has been granted shall be published in the Royal Gazette, and such publication shall be sufficient evidence to justify any Judge of the Supreme Court, Justice, or Police Magistrate, before whom any such Juvenile offender shall have been convicted, to commit such Juvenile offender to the Reformatory School so established, subject to the provisions of this Act.

2. The Directors of such Reformatory School, at least three in number, nominated from time to time for that purpose by such Association, and approved by the Governor in Council, shall have the full control and management of said Reformatory, in accordance with the provisions of this Act.

3. The Directors may, from time to time, appoint and remove or displace a Superintendent, who shall have immediate control and supervision of such Reformatory, and shall have all the power and authority necessary for the management of such Institution, in accordance with the provisions of this Act, and all Teachers, Stewards, and other officers and servants as they may deem necessary.

4. The Directors may at any time in writing, make, frame, constitute, establish and ordain such bye laws, rules, ordinances, and regulations, as they may deem expedient for the management of such Reformatory School, its affairs and business, its officers, servants, and other inmates, and may from time to time amend, alter, abrogate or repeal any of such bye laws, rules, ordinances, or regulations; provided always, that every such bye law, rule, ordinance and regulation shall be forthwith transmitted to the Secretary of the Province, to be laid before the Governor in Council, who within three months from the receipt thereof shall confirm or disallow the same; and all such bye laws, rules, ordinances, and regulations, shall be in force until notice of such disallowance shall be transmitted to, and shall be received by the said Directors, or by the Superintendent.

5. The Members of the Executive Council shall be Visitors of every Reformatory School established under this Act; and the Governor in Council may at any time appoint an Inspector to visit such Reformatory School, who is hereby authorized and required to make such enquiries and examinations as he may think proper, and to report to the Governor in Council upon the condition, progress and prospects of such Reformatory; and if, on such examination and report, and after such further enquiry as may seem proper, it shall appear that any such Reformatory School is improperly managed, or that it has not answered the purpose for which it was established, the Certificate may be withdrawn by the order of the Governor in Council, and when the managers have been duly notified thereof, and notice of the withdrawal of such Certificate has been published in the Royal Gazette, such institution shall forthwith cease to be a Reformatory School within the meaning of this Act; and the Juvenile offenders, who may be inmates of such school, when the Certificate is so withdrawn, shall be removed to the Penitentiary, or to any such Gaol or Reformatory School, and for any such period as the Governor in Council may direct.

7. It shall be lawful for the Justices of any County, if they shall think fit, at any General or Special Sessions, and for the Common or City Council of any City, in Council convened, upon the application of the Directors of any Reformatory School for Juvenile offenders, which has been or may hereafter be certified under this Act, supported in whole or in part by voluntary contributions, to present a sum of money in aid of the maintenance of such offenders from such County or City respectively sentenced to or detained in such Reformatory School, to be raised by taxation on the inhabitants of the said County or City, subject to such conditions as may be agreed upon between such Justices, or Common or City Council, and such Directors.

8. It shall be lawful for the Justices of any County in Sessions convened, and for the Common or City Council of any City as aforesaid, at any special or general meeting, to appoint and empower a Committee of such Sessions or Council to enter into an agreement with the Directors of any Reformatory School, certified as aforesaid, for the reception and keeping in such School from time to time of offenders from such County or City sentenced to be detained in a Reformatory School, in consideration of such periodical payments as may be agreed upon with such Directors.
