MILITIA GENERAL ORDERS.

HEAD QUARTERS, FREDERICTON, 3rd July, 1866.

No. 45.

NO considerable force of the Provincial Militia being any longer in actual service on the frontier, His Excellency the Commander in Chief is enabled to relieve Colonel Anderson from the discharge of the duties which he has until lately performed. His Excellency cannot, however, grant permission to Colonel Anderson to retire from active service without publicly recording his sense of the energy and ability manifested by that Officer whilst employed in the Western District, and his full approval of the judicious measures adopted by him for the better organization and discipline of the Force under his command, and for its disposal in the most effective manner in the event of hostile attack.

His Excellency has already expressed his entire satisfaction at the conduct of the Militia of the frontier Counties, but whilst thanking Colonel Anderson for his valuable and efficient services, he deems this a fitting occasion to repeat the commendation he has already bestowed on the spirit displayed by the Force serving under the orders of that Officer.

His Excellency desires, in a special manner, to acknowledge the services of Lieutenant Colonel Inches, Commandant at Saint Stephen, Lieutenant Colonel Wetmore, Commanding Second Battalion Charlotte Militia, Major Willis, Commandant at Saint Andrews, and Major James, Paymaster to the Frontier Force; and whilst well satisfied with all who were under arms, His Excellency considers the zealous and unmurmuring performance of their duties under somewhat trying circumstances, by the Militia Volunteers of Campo Bello and the Islands, merits his marked approval.
