WHEREAS the Streets, Bridges and Sidewalks in the district known as the Lower Highway District, in the Parish of Saint Stephen, are out of repair, and require an immediate expenditure of a larger sum of money that can be obtainable by assessments at present able to be made;—

Be it therefore enacted by the Governor, Legislative Council, and Assembly, as follows:—

1. The Justices of the Peace in and for the County of Charlotte, in any General or Special Sessions duly called for that purpose, are hereby authorized and empowered to issue Debentures to an amount not exceeding ten thousand dollars, to be appropriated towards the repairing and improving the Streets, Bridges and Sidewalks in the said Lower Highway District, which is included in the following limits, to-wit, commencing at the mouth of Dennis' or Porter's Millstream, and extending to the Milltown Highway District, and between the River Saint Croix and a line drawn one mile back from the said River; such Debentures to bear interest at the rate of six per centum per annum, payable half yearly by Coupons attached.

2. That the said Debentures and Coupons shall be in such form and for such a period, not to exceed ten years, and for such a denomination, not less than one hundred dollars, as the said Justices in Sessions as aforesaid shall prescribe.

3. All persons liable to perform labour on the streets and highways in that part of the Parish of Saint Stephen in the limits aforesaid, shall in future pay in lieu of such labour fifty cents per day for the first four days, and for every day's labour over and above the first four days any person may be liable to perform, each person shall hereafter for each and every such day pay the sum of eighty cents per day; and which money, or such part thereof so assessed, levied, and collected, shall be appropriated by order of the said Sessions towards payment of the interest and such part of the principal of the loan contracted by virtue of this Act as they shall think proper and expedient, until the same shall be paid off; and the said Sessions are hereby authorized and required to make a rate and assessment each and every year of any further sum of money sufficient to discharge the interest and the principal, or such part thereof of the loan aforesaid, as the said Sessions may deem necessary and expedient, such additional assessment not to exceed in any one year the sum of two thousand dollars, such assessment to be confined to the limits of the district aforesaid.

4. The said Sessions shall appoint a person to be a Commissioner for the special purpose, during the continuance of the loan aforesaid, of expending the money raised by loan under this Act for the purposes of the same; which person so appointed shall, before entering upon the duties of his office, give a bond with two sufficient sureties to the Queen, to be approved by two Justices of the Peace residing in the district aforesaid, in such sum as the said Sessions shall determine, conditioned for the faithful discharge of the duties of his office and the due accounting for all moneys that he shall receive as such Commissioner; which bond shall be filed in the office of the Clerk of the Peace within one month from such appointment; the said Commissioner may retain on all moneys expended by him for the purposes aforesaid five per centum.

5. All moneys required to be paid by virtue of this Act, or which may be raised by assessment, shall be assessed, levied and collected in the same manner as Parish rates are assessed, levied and collected by virtue of any law now in force, or which may hereafter be in force for that purpose, and when collected, shall be paid to the Commissioner, to be appointed by the Sessions as aforesaid, to be by him expended, and in case of no such appointment, then by the Commissioner of Highways for said district.
