

2. Every Candidate must furnish proof satisfactory to the Local Authorities that he has completed his 16th year, and that his age does not exceed 22 years.

3. Every Candidate must furnish proof satisfactory to the Local Authorities, that in regard to personal character he is qualified to be admitted to competition for a Scholarship.

4. Candidates approved by the Local Authorities shall present themselves at the Midsummer Matriculation Examination of the University of London, which will be held simultaneously in Quebec, Montreal, Kingston, Toronto, Ottawa, Halifax, and a Town to be hereafter named in New Brunswick, commencing on the last Monday in June, under the direction of Sub-Examiners appointed by the Governor of the Dominion of Canada.

5. The Answers of the Candidates, approved as aforesaid, will be forwarded, through the Colonial Office, to the Registrar of the University, who will cause them to be reviewed by the Examiners, and who will draw up the Report of the results of the Examination; and the Scholarship shall be awarded to the Candidate who shall come out highest at that Examination, provided that he pass either in the Honours or in the First Division.

6. The award of the Examiners shall be transmitted forthwith by the Secretary of the Gilchrist Trust, through the Colonial Office, to the Local Authorities in the Colonial Capitals, to be by them announced to the Candidates.

7. The successful Candidate will be expected to arrive in London, and to present himself to the Secretary of the Gilchrist Trust, not later than the first week in the October following his appointment.

8. Each Scholar shall be allowed an option as to place of study between the University of Edinburgh, and University College, London; but he shall be expected to pursue his studies with a view to Graduation in one of the Four Faculties of the University of London.

9. Each Scholarship shall be considered as commencing from the 1st of July following the award of the Examiners; and shall be paid in quarterly instalments on the first days of October, January, April, and July.

10. Each Scholar shall attend in every Session at least Three Courses of Lectures at the Institution in which he studies, and shall transmit to the Secretary of the Gilchrist Trust, at the conclusion of each Session, a Certificate from each of the Professors whose Lectures he has attended, stating that his diligence and conduct have been satisfactory. Should he not be able to produce such a Certificate, or should he be proved guilty of discreditable conduct elsewhere, he shall be considered to have forfeited all claim to the remaining instalments of his Scholarship.

11. Each Scholar will be expected to present himself at the First Examination in one of the Four Faculties of the University of London—Arts, Science, Law, or Medicine—before the termination of the Second (Academical) Year* from the commencement of his Scholarship, unless excused from doing so by the Trustees; and if he do not so present himself, (unless by permission of the Trustees), or if he fail to pass, he shall be considered as forfeiting his claim to the remaining instalments of his Scholarship. After having passed the First Examination, he will be expected to pursue his studies with a view to presenting himself at the Second Examination within two (Academical) years.

12. The foregoing Scheme shall be subject to revision from time to time; the Trustees reserving to themselves the power of altering the conditions of the Scholarships, or of altogether withdrawing them, if they deem it expedient to do either. But no change will be made in such a manner as to affect the interests of Candidates already appointed to Scholarships, or in any case, without Twelve Months' Notice.

* Thus a Candidate whose Scholarship commences on the 1st of July, 1868, would be considered as having fulfilled this condition, if he pass the First LL.B. Examination in January, 1870; or the First B.A., the First B.Sc., or the Preliminary Scientific M.B. Examination, in July, 1870.
