FREDERICTON, N. B., WEDNESDAY, MAY 29, 1867.

[PAGE 179]

Official Notifications appearing in this Paper, duly authenticated, are to be received as such by the persons whom they may concern.

BY AUTHORITY.

His Excellency the Administrator of the Government orders the publication of the following Circular for general information.

(CIRCULAR.)

Downing Street, 25th April, 1867.

SIR,—With reference to the Circular Despatch from this Department dated the 5th of June, 1866, relative to the case of Foreigners naturalized in any of Her Majesty's Colonies who wish to obtain British Passports for foreign travel, I have the honor to inform you that different cases have occurred lately in which such naturalized Foreigners have applied in this Country for Passports without being in possession either of a Passport from the Governor or of any Official Document from the Colony to establish their identity and character. You will readily perceive that this is calculated to embarrass this Department, and also to cause much private inconvenience to the persons concerned if they should find themselves unable to produce any sufficient evidence of their quality.

I have therefore to suggest that, in every Colony containing naturalized Foreigners who are likely to travel in Europe, it would be convenient that notice should from time to time be given in public Newspapers of the necessity for such persons providing themselves before leaving the Colony with some official evidence of their identity and description.

I have the honor to be, Sir,

Your most obedient humble servant,

(Signed) BUCKINGHAM & CHANDOS.

The Officer Administering the Government,  
New Brunswick.
