

Lord Monck to the Duke of Buckingham.

No. 23. *Ottawa, February 7th, 1868.*

MY LORD DUKE,—Referring to your Grace's Despatch (No. 13) of January 8th, and the accompanying Communication from the Board of Trade respecting the state of the Law in the Dominion of Canada with reference to Trade Marks, I have the honor to transmit for your information and that of the Lords of Committee of Council for Trade, a copy of a Report from the Minister of Finance, to whom I referred your Grace's Despatch.

I have, &c.

(Signed) MONCK.

His Grace the Duke of Buckingham & Chandos.

#### FINANCE DEPARTMENT.

On the reference by command of His Excellency the Governor General of a Despatch of the Duke of Buckingham & Chandos of the 13th January, 1868, enclosing a Communication from the Board of Trade, on the subject of a recent Act of the Legislature of New Brunswick, respecting Trade Marks, the Minister of Finance has the honor to report:—

The Act in question has passed before the Union of that Province with Canada, but under the British North American, 1867, the subject of Trade Marks is clearly one of those with which the Parliament of the Dominion has to deal.

The expediency of legislating in the sense suggested by His Grace, and of repealing the existing Laws of the several Provinces, and making uniform provision on the subject of Trade Marks, as well as to regulate the registration of Designs, is now engaging the attention of the Government, and the observations of Mr. Mallet will not fail to receive respectful consideration when the measure is in course of preparation.

(Signed) JOHN ROSE,  
*Minister of Finance.*

Ottawa, 6th February, 1868.

The Duke of Buckingham to Lord Monck.

CANADA.—No. 49.

*Downing Street, 9th March, 1868.*

MY LORD,—I have the honor to acknowledge the receipt of your Lordship's Despatch (No. 23) of the 7th ultimo, enclosing a copy of a Memorandum from the Minister of Finance, from which it appears the subject of Trade Marks, and of the regulation of the registration of designs, is engaging the attention of the Canadian Government, and will probably form the subject of a future legislation in the Parliament of the Dominion.

This being the case, I do not think it desirable to advise Her Majesty to sanction the "Act relating to Trade Marks," passed by the Legislature of New Brunswick in June, 1867.

You will be so good as to communicate this decision to the Lieutenant Governor of the Province, and will furnish him at the same time with a copy of the Board of Trade letter on the subject of this Act, which was forwarded to your Lordship in my Despatch of the 8th ultimo.

I have, &c.

(Signed) BUCKINGHAM & CHANDOS.

Governor the Right Hon. Viscount Monck.

IN COUNCIL, 20th February, 1868.
