

Be assured that the principles which have directed me in the past shall be my guide for the future. And it will be a source of consolation to me during the short time of the present life which remains to me, to know that my public efforts to advance the interests of my native Province have merited the commendation of those whose good opinions I most highly value.

I thank you for your prayers on behalf of Mrs. Willmot and myself; and in the spirit of fraternal love most sincerely do I pray that the great head of the church may abundantly bless and prosper you in all your efforts for the extension of the Redeemer's kingdom.
