Office of Her Majesty's Commissioners for the Exhibition of 1851, 5, Upper Kensington Gore, W., 10th August, 1869.

SIR,—

I am directed by Her Majesty's Commissioners for the Exhibition of 1851, to transmit, for the information of the several British Colonies, copies of the announcement of the first of the series of International Exhibitions of selected

Specimens of Art and Industry, which it is intended shall be held in London in 1871, and to request that you will move the Earl Granville to cause them to be forwarded to each Colony as early as convenient.

Her Majesty's Commissioners desire me to point out that these Exhibitions will be on a comparatively limited scale, that the objects sent from each Colony will not be arranged together as heretofore, but in their proper classes, and that it is desired that Manufacturers should exhibit only a single specimen of each object.

Her Majesty's Commissioners will be prepared to receive Colonial objects for exhibition under the following special regulations, viz:—

1. Every object which can be exhibited on a vertical surface, or wall space, will be accepted, if accompanied by a certificate from the Government of the Colony where it was produced, that such object is considered worthy of exhibition.

2. Every Producer desiring to exhibit an object, which will require for its exhibition superficial or floor space, must forward to Her Majesty's Commissioners, before a date to be hereafter appointed, a working drawing or photograph of such object, with accurate dimensions and descriptive particulars, on receipt of which, Her Majesty's Commissioners will, if the object be considered worthy of exhibition, transmit direct to the producer a certificate of the acceptance of such object, thereby guaranteeing its admission.

3. Any producer may, at his option, instead of conforming with either of the foregoing regulations, send any object direct to the Exhibition Building, for the inspection and approval of the judges selected for the other British Exhibitors, and under the same regulations as shall be prescribed with reference to other British goods, so submitted for inspection.

Further particulars having reference to the Specialities of each Colony will hereafter be sent.

I have, &c.

(Signed)

HENRY Y. D. SCOTT,

Lieut. Colonel Royal Engineers.

The Under Secretary of State, Colonial Office.
