2. The said sum of money, and every part thereof, shall be expended under the direction of the Board of Works, and of such Supervisors and Commissioners as the Governor in Council may appoint, and shall be paid to the several and respective persons who shall actually work and labour in making, completing and repairing the several Roads, Bridges, and Works, or in furnishing materials therefor, at the most reasonable rate that such labour and materials can be provided where such sums are expended on Roads, Bridges, or Works; and every Commissioner so to be appointed shall, as early in the season as may be, carefully examine the part
