Passed 11th April, 1872.

WHEREAS in and by an Act made and passed in the thirty third year of the Reign of Her present Majesty, intituled *An Act to remove the Shire Town of King's County to a more convenient locality*, the Justices of the Peace of the said County in General or Special Sessions were authorized to raise by loan a sum not exceeding twenty thousand dollars for the purposes therein mentioned; and whereas the said sum of twenty thousand dollars is found insufficient to carry into effect the objects intended by the said recited Act, and to defray the expenses of removing the materials of the gaol of the said County from Kingston to Hampton, and it is deemed expedient to authorize the said Justices of the Peace to raise a further sum of ten thousand dollars over and above the said sum of twenty thousand dollars;—

Be it therefore enacted by the Lieutenant Governor, Legislative Council, and Assembly, as follows:—

1. In addition to the sum of twenty thousand dollars authorized to be raised under and by virtue of the fourth Section of the said recited Act, it shall and may be lawful for the Justices of the Peace of the said County at any General or Special Sessions, to raise by loan a further sum not exceeding ten thousand dollars, as well for the purposes set forth and specified in the said fourth Section of the said recited Act, as for the purpose of defraying the costs and expenses of taking down the gaol lately being at Kingston in the said County, and removing the materials thereof to Hampton.

2. The said sum of ten thousand dollars, or so much thereof as shall be raised, shall be taken in loans of not less than one hundred dollars, and certificates or notes shall be prepared, signed, countersigned and delivered to the person or persons from whom such loan or loans may be obtained, in the same form and manner in all respects as the certificates or notes authorized to be issued under and by virtue of the provisions of the said recited Act, and the same shall be numbered in the same manner, and a memorandum thereof submitted by the Clerk, and duly entered in the minutes of the Sessions in the same manner as directed in and by the said recited Act.

3. The certificates or notes issued under the authority of this Act shall be negotiable in the same manner as promissory notes, and the holders thereof shall be entitled to receive interest from the same annually, to be paid by the County Treasurer of the said County out of the assessments hereinafter mentioned.

4. The moneys authorized to be borrowed under the pro-

visions of this Act shall be paid into the hands of the said County Treasurer, and shall be paid out by him from time to time for the purposes specified in this Act, under the order of the General or Special Sessions; and the said County Treasurer shall, in the account required to be rendered by him under the sixth Section of the said recited Act, include a just and true account of the moneys received and paid by him under the provisions of this Act.

5. The said Justices of the Peace are hereby authorized and required, and it shall be lawful for them to continue to make the annual rate and assessment mentioned in the seventh Section of the said recited Act, besides the charges for assessing and collecting, until the loans contracted under this Act, as well as the loans contracted under the said recited Act, and the County Treasurer's charge, shall be paid off; and the same shall continue to be assessed, levied, collected and paid as directed in the said seventh Section of the said recited Act.

6. The moneys so to be assessed shall be applied, after discharging the yearly interest due, as well as the loans raised under the provisions of the said recited Act, as on the loans raised under the provisions of this Act, in the first place to the payment of the principal sums in the certificates or notes issued under the provisions of the said recited Act, in due order, according to the numbers, beginning with number one, and in the next place and after the last mentioned certificates or notes are all paid off and discharged, to the payment of the principal sums in the certificates or notes issued under the provisions of this Act in due order, according to the numbers, beginning with the lowest number; and the said County Treasurer shall give one month's public notice by advertisement in one of the newspapers published in the City of Saint John, for calling in so many of the said certificates or notes as he is prepared to pay off, specifying the numbers as aforesaid in the advertisement, and from the expiration of such notice the interest on the same shall cease.

7. The said County Treasurer shall be entitled to retain the sum of one cent on the dollar, and no more, for his services in receiving and paying the said moneys so to be assessed as aforesaid.

8. So much of the said recited Act as is inconsistent with this Act is hereby repealed.
