REGULATIONS made by the Governor in Council, in pursuance of an Act made and passed in the thirty sixth year of the Reign of Her present Majesty, intituled "An Act relating to Public Health."

## REGULATIONS.

1st. When any householder shall know that any person within his house is taken sick of the Small Pox, he shall immediately give notice of the existence of such disease to the Board of Health; and if he shall refuse or neglect to give such notice he shall be liable to a penalty of forty dollars, or imprisonment for forty days in the common gaol.

2nd. When any Physician shall know that any person whom he is called to visit is infected with the Small Pox, such Physician shall immediately give notice to the Board of Health; and every Physician who shall refuse or neglect to give such notice shall, for each offence, be liable to a penalty of forty dollars, or imprisonment as aforesaid.

3rd. The Board may provide a special Hospital, and employ proper persons to attend the sick placed therein, and provide for the interment of the dead.

4th. The Board may, within its jurisdiction, remove to such Hospital, or other fit place, any sick or infected person, and keep him there until cured, or sufficiently recovered to be discharged with safety; and if any person shall violate the orders of the Board, or resist, oppose or obstruct a member thereof, he shall be liable to a penalty of forty dollars, or imprisonment as aforesaid.

5th. When any person shall be infected with Small Pox, and the infected person is not removed to the special Hospital, the house and premises shall be subject to quarantine, in which case such house shall be considered as an Hospital, and all persons residing in, or in any way concerned with the same, shall be subject to the orders of the Board; and any person having intercourse with the premises, or leaving the same without a certificate from the Board, signed by the Chairman or Secretary of the Board, excepting the Physician in attendance, and such other persons as he may direct to furnish necessary supplies for the use of the patient and family, shall be liable to a penalty of forty dollars, or imprisonment as aforesaid.

6th. When a house is placed in quarantine, the Board shall post on the outside of the house a printed notice forbidding all persons from having intercourse with the premises, or coming out therefrom, except as aforesaid; and any person defacing, destroying or removing such notice, shall be liable to a penalty of forty dollars, or imprisonment as aforesaid.

7th. No person shall be removed into the special Hospital, if the person having charge of the house and premises in which the sick person is residing is willing, and in the opinion of the Board, is able to have the Patient properly taken care of in his own house and at his own expense (such house being a detached house, and occupied solely by the family in or with which the sick person is residing), nor unless such sick person can be removed without danger.

8th. All penalties under these Regulations shall be recovered and enforced in the name of the Chairman or Secretary of the Board, before any Justice of the Peace, under the Chapter of the Revised Statutes relating to Summary Convictions.

9th. These Regulations shall be construed as any Statute of the Province; and no act shall constitute an offence unless committed within the territorial limits for which the Board is established.

10th. No Board established in any County, Town or Parish having telegraphic communication with Fredericton, shall incur any expense exceeding one hundred dollars, without first communicating with the Provincial Secretary; and no member of the Board shall be entitled to receive any compensation.

*By Command of the Lieutenant Governor.*

The Lieut. Governor directs the publication of the following Despatches:—

*Ottawa, 20th March, 1873.*

SIR,—I have the honor, by command of His Excellency the Governor General, to transmit to you for your information and guidance, a copy of a Despatch from the Right Honorable the Secretary of State for the Colonies, covering a copy of a letter from the Adjutant General to the Forces, in reference to the ceremonies to be observed in the different Provinces of the Dominion, at the opening and closing of the Legislature, and on other State occasions.

I have, &c.

(Signed)

JOSEPH HOWE,

*Sec'y of State for the Provinces.*

His Honor the Lieut. Gov. N. B.

*Downing Street, 7th Nov. 1872.*

My LORD,—I have been in communication with the War Office on the subject of Lord Lisgar's Despatches noted in the margin, relating to the playing of the first part of the National Anthem when the Governor represents the Sovereign at State ceremonials, and I have now the honor to transmit to you a copy of a letter addressed to this Department by direction of H. R. H. The Field Marshal Commanding in Chief.

I concur in the opinion expressed by H. R. H.; and with reference to the question asked by Sir Hastings Doyle, and submitted by Lord Lisgar for my decision, viz., "Whether the Lieut. Governors are supposed to be acting on behalf of the Queen," I have to observe, that while from the nature of their appointment they represent on ordinary occasions the Dominion Government, there are nevertheless occasions (such as the opening or closing of a Session of the Provincial Legislature, the celebration of Her Majesty's Birthday, the holding of a Levee, &c.,) on which they should be deemed to be acting directly on behalf of Her Majesty, and the first part of the National Anthem should be played in their presence.

There are also cases in which the Governor General while commissioned directly by the Queen, appears in public without performing any act on behalf of Her Majesty, and on such occasions it would not be appropriate for the National Anthem to be played.
