Private and Local Bills.

Rules adopted by the Legislative Council and House of Assembly, February, 1871.

29. That no Bill of a private or local nature, or Bill for making any amendments of a like nature to any former Act, shall be received by the House, unless a notice, specifying the several objects desired to be attained, has been published four successive weeks, previous to the meeting of the Legislature or to the introduction of the Bill, in some one of the Newspapers published in the City or County interested in the measure, or in the locality where the parties affected reside; and when no Newspaper is published in either of such localities, then in some Newspaper published in the nearest adjoining County, or in the Royal Gazette; provided that when the City or County interested in the measure, or where the locality in which the parties affected reside, is composed of a mixed English and French population, then such notice shall be published both in French and English, if a Newspaper published in French shall or may be published in the Province; and provided also, that in any County where no Newspaper may be published, that such Bill, in lieu of other publication, may be read at the Assizes or at some General Sessions of the County or City and County interested in such Bill, in the presence of the Grand Jury, or in Incorporated Counties before the County Council, and a Certificate be endorsed thereon by the Clerk of the Court or the Secretary Treasurer as the case may be, that the same has been so read.

30. That separate Petitions be presented to each Branch of the Legislature, setting forth in detail the object of the measure, and the reasons that may be urged for its adoption.

31. It shall be the duty of all parties seeking the interference of the Legislature in any private or local Bill, to file with the Clerk of each House the evidence of their having complied with the Rules and Standing Orders thereof; and that in default of such proof being so furnished, it shall be the duty of the Clerk to report that the Rules and Standing Orders have not been complied with, and to endorse the same upon the Bill.

32. That no Bill of a private nature shall be received by the House after the fourteenth day from the opening of the Session, both inclusive; and that the Clerk of this House do cause this Rule, and Rules Nos. 29, 30, and 31, to be published in the Royal Gazette, over the signature of the Clerk of each House, weekly, during each recess of the Legislature.

THE POLITICAL HISTORY OF NEW BRUNSWICK

From the Year 1840 up to 1855.

Under the Administrations of Sir William Colebrooke, Sir Edmund Head, The Hon. J. H. T. Manners-Sutton, and The Honorable Arthur H. Gordon.

By G. E. FENETY, Queen's Printer.

A few Volumes of the above work may be had at the reduced price of \$1, and mailed free to any address (the publishing price was \$2), on prepayment of the amount.

This Volume contains about 500 pages; and is a complete history in itself, (even if the 2nd Volume should never appear,) embracing a period of fifteen years—showing all the struggles for Responsible Government, a period in which more political reforms were pressed and carried, than in any other period since the Province was settled. Every Politician in the land should possess a work of this kind. No Member, or expectant Member, of the Legislature should be without a copy, as from no other source can he obtain the political information he wants in such a suitable form. There is no event in our Political history from 1840 to 1855, when the great Responsible victory was gained, but what is recorded or referred to in this work.

A large edition has already been sold at the full price, and it is now reduced, in order to clear off the copies left.

The second Volume will be brought down to 1870, most of which is already in manuscript. The time of its publication will be announced hereafter.

Address Royal Gazette Office, Fredericton, inclosing \$1, and the 1st Volume will be sent by Mail, free of postage.
