CAP. LXII.

An Act to enable the Trustees of the Baptist Seminary at Fredericton to convey the same.

Passed 8th April, 1874.

WHEREAS the Baptist Educational Society in connexion with the Eastern and Western Baptist Associations of New Brunswick, did, in pursuance of the authority of the Act of Assembly, eighteenth Victoria, Chapter sixty seven, elect a Board of Trustees to manage the affairs of the Baptist Seminary at Fredericton, being the property of the said Society, which Board of Trustees, by the provisions of the said Act, became a body corporate, by the name of "The Trustees of the Baptist Seminary at Fredericton," and which said Corporation has, ever since its organization, been in the possession of and had the management of the affairs of the said Seminary under the direction of the said Educational Society; and whereas by the second Section of the said Act, it is provided that all property held in trust for such Society in any part of the Province, should be subject to the provisions of the said Act whenever a Board of Trustees to manage the same should be elected, as provided in the said Act, and that a conveyance thereof should be made by the then existing Trustees to the said Corporation; and whereas the Trustees existing at the time of the organization of the said Corporation, and by whom the title to the said Seminary and land was held in trust for the said Society, have since died, and it has been discovered that they neglected to make the conveyance thereof to the said Corporation as they were required to do by the said Act, and the difficulty and expense of procuring the title and making a conveyance thereof by the present Corporation would be very great without legislative authority;—

Be it therefore enacted by the Lieutenant Governor, Legislative Council, and Assembly,—

That "The Trustees of the Baptist Seminary at Fredericton," in connexion with the Eastern and Western Baptist Associations of New Brunswick, be and they are hereby empowered, under the Seal of the said Corporation, to make and execute a good and sufficient deed or conveyance of the said Seminary lands and buildings in connection therewith, to any person or body corporate who may agree for the purchase of the same, which deed or conveyance shall give to the grantee as good a title in law and equity, to all intents and purposes, as if the said Seminary lands and buildings had been actually conveyed to the said Corporation by the said first named Trustees in the manner provided by the said recited Act.
