

THE  
POLITICAL HISTORY  
OF  
NEW BRUNSWICK

From the Year 1840 up to 1855.

*Under the Administrations of Sir William Colebrooke, Sir Edmund Head, The Hon. J. H. T. Manners-Sutton, and The Honorable Arthur H. Gordon.*

By G. E. FENETY, Queen's Printer.

A few Volumes of the above work may be had at the reduced price of \$1, and mailed free to any address (the publishing price was \$2), on prepayment of the amount.

This Volume contains about 500 pages; and is a complete history in itself, (even if the 2nd Volume should never appear,) embracing a period of fifteen years—showing all the struggles for Responsible Government, a period in which more political reforms were pressed and carried, than in any other period since the Province was settled. Every Politician in the land should possess a work of this kind. No Member, or expectant Member, of the Legislature should be without a copy, as from no other source can he obtain the political information he wants in such a suitable form. There is no event in our Political history from 1840 to 1855, when the great Responsible victory was gained, but what is recorded or referred to in this work.

A large edition has already been sold at the full price, and it is now reduced, in order to clear off the copies left.

The second Volume will be brought down to 1870, most of which is already in manuscript. The time of its publication will be announced hereafter.

Address Royal Gazette Office, Fredericton, inclosing \$1, and the 1st Volume will be sent by Mail, free of postage.
