

and one part or copy of such statement and account shall be filed in this Honorable Court on or before the first day of May in each and every year, and the other part or copy thereof shall be filed in the office of the Clerk of the Peace in and for the City and County of Saint John, among the public records of the said office, on or before the first day of May in each and every year;

"And whereas, although under and by virtue of the said decrees of the said Court, and the said Indenture above recited, the said Commissioners of the said Alms House and Work House named in the said Indenture entered into possession of the said lands and premises, and made leases thereof and collected the rents due and payable thereon; and such rents have been collected and received and assessed to the purposes of the said charity by their successors from time to time since, yet it appears that all the said Commissioners named in the said Indenture, as the party thereto of the second part, have departed this life without making any conveyance, transfer or assignment of the said lands and premises, or any part thereof, to any one or more of their successors in office as Commissioners of the said Alms House and Work House;

"And whereas, for the purpose of duly continuing and maintaining the Trust in and by the said Will of the said Isabella Grundy created, and in and by the said decrees and orders of the said Court of Chancery defined as aforesaid, and for the fuller purpose of enabling them to reserve and hold in perpetual succession any similar or other charitable or public bequests, gifts or grants of real or personal estate which may hereafter be made to them, it is desirable that the Commissioners of the said Alms House and Work House should be incorporated;—

Be it therefore enacted by the Lieutenant Governor, Legislative Council, and Assembly, as follows:—

1. David Tapley, William Hawkes, Allan M'Lean, Thomas C. Olive, and Albert Chipman Smith, (being the present Commissioners) their associates and successors, shall be and they are hereby declared to be a body corporate by the name of "The Commissioners of the Alms House and Work House for the City and County of Saint John," and as such and by such name and style shall have perpetual succession, a common seal, and all other the rights, powers and privileges made incident to a Corporation by Act of Assembly or otherwise; and as such Corporation may receive gifts, grants, bequests and conveyances of real and personal estate in Trust, or otherwise, may make all legal and necessary conveyances and assurances, and such leases, for terms not exceeding twenty one years, with such covenants for renewal thereof, not to exceed the like period, as to them may seem meet and necessary; provided only, that the said Corporation shall be deemed and taken to be a Corporation for public and eleemosynary purposes only, and shall receive, hold and enjoy real or personal property or estate for such purposes only, and no other.

2. The several lots of lands and premises, with all and singular the appurtenances described and mentioned in the Indenture in the preamble to this Act recited in full, together with any other lands and premises which may at any time hereafter fall in or in any way accrue or belong to the said "Grundy Charity," are hereby vested in "The Commissioners of the Alms House and Work House for the City and County of Saint John" aforesaid, their successors and assigns,

in as full, ample and beneficial a manner, for the uses and purposes contained in the said Will and in the said Indenture, and the orders and decrees of the said Court of Chancery, and to and for the trusts thereby created and defined, as the same might or could have vested in any successors of the party of second part to the said Indenture, by any deed or conveyance which such party of the second part, or any one or more of them, could or might have made in his or their lifetime; and the said Corporation hereby erected and declared, shall be subject to all and singular the provisions and requirements of the said Will, and the orders and decrees of the said Court of Chancery for explaining and enforcing the same; and shall also have full power to demand, have, receive, sue or distrain for any debt, chose in action, rent or rents in arrear and now due or unpaid, or hereafter to fall due, under and by virtue of any lease or leases of the whole or any part of the said estate granted by the said Commissioners in the said Indenture mentioned, or others; and to grant renewals of the said leases as they may lawfully be required to do; or new and other leases to make and grant from time to time, as occasion may require.

3. Nothing in this Act shall be construed to affect or alter the present mode of appointing Commissioners of the said Alms House and Work House, or their duties, powers and privileges as such by Law ordained, or their relations to the Sessions of the said City and County of Saint John; or to prevent the Lieutenant Governor in Council from removing or superseding any Commissioner if he see fit so to do, and of making other appointment in the stead of any person so superseded or removed.
