Passed 10th April, 1875.

WHEREAS by the sixth Section of the Act of Assembly, thirty seventh Victoria, Chapter forty three, intituled *An Act to remove the Shire Town of Victoria County to the Parish of Andover or Perth*, authority was given to make a rate and assessment, not exceeding the sum of seven hundred and fifty dollars, in the year in which the Proclamation mentioned in the first Section of the said Act might be issued, and a rate and assessment of a like sum in each and every succeeding year for the purposes mentioned in the said Act: And whereas, although the Proclamation mentioned in the first Section of the said Act was issued during the year 1874, declaring he had selected a convenient site in the Parish of Andover aforesaid, at or near which the public buildings for the said County should be erected, no rate and assessment was made in that year as directed by the said Act: And whereas it is desirable that power should be given to the Municipality of the said County of Victoria to make rates or assessments for the purposes in the said Act mentioned, and that the said Act should be otherwise amended;—

Be it therefore enacted by the Lieutenant Governor, Legislative Council, and Assembly, as follows:—

1. It shall be lawful for the Municipal Council of the said County of Victoria, at any general or special meeting of the said Municipality, to make an annual rate and assessment, not exceeding the sum of seven hundred and fifty dollars, for the purpose of payment of the principal sum of debentures, and interest thereon, or to be issued by the said Municipality under the authority of the Act made and passed in the thirty seventh year of the Reign of Her Majesty, intituled *An Act to remove the Shire Town of Victoria County to the Parish of Andover or Perth*, besides the charges of assessing and collecting the same, until the whole amount of the principal and interest of the debentures issued under and by virtue of the said recited Act shall be paid off; such sums to be assessed, levied and collected under any Act or Acts now or hereafter in force for assessing, levying and collecting County rates, and when collected shall be paid to the Secretary-Treasurer of the said Municipality for the purpose of payment of the principal and interest of the said debentures, and for no other purpose.

2. The neglect in any one year to make the rate aforesaid

shall not operate to prevent an assessment the following year for the sum of seven hundred and fifty dollars aforesaid, besides charges of assessing and collecting, until the whole amount of principal and interest of the said debentures is fully paid off; provided however, that in no one year shall more be assessed for the purpose aforesaid than one sum of seven hundred and fifty dollars, besides charges of assessing and collecting.

3. It shall be the duty of the Municipality of the said County, within four months from the passing of this Act, either at a special meeting of the Municipal Councillors called for that purpose, or at a general meeting of the said Municipality, should such last mentioned meeting be held within that period, to order the first assessment of seven hundred and fifty dollars aforesaid.

4. The said Municipal Council shall also, without delay, proceed with the construction of the new public buildings required for the said County, and for that purpose may make and enter into all such contracts and agreements as may be necessary to secure the building and erection of such buildings.
