GOVERNMENT NOTICE.

Rules and Regulations

Made by the Governor in Council, by Order in Council under date the 6th day of August, A. D. 1875, in pursuance of the Act made and passed in the thirty eighth year of the Reign of Her present Majesty, intituled "An Act relating to Agriculture."—[38 Victoria, cap. 12.]

1st.—Whenever forty or more persons in any of the Counties of this Province shall associate themselves together as an Agricultural Society, and shall subscribe and pay not less than sixty dollars, to be applied for the improvement of agriculture and domestic manufactures, and shall subscribe the following declaration, viz:—"We whose names are hereunto subscribed, do agree to form ourselves into a Society, to be called the Agricultural Society; and we severally agree to pay to the Treasurer of the said Society, towards the funds thereof, the sums set opposite our respective names as our first year's subscription thereto.—Dated this day of 18," and shall cause a copy of the same to be filed in the Office of the Secretary for Agriculture; they shall thereupon become a body corporate by such name as they shall designate, with all the privileges and obligations incident to Corporations by law; but such privileges shall continue to each Society respectively so long only as it shall consist of forty members or more, and which members shall annually subscribe, or raise and pay in as aforesaid, the sum of at least sixty dollars, in furtherance of the objects of the Society, as hereinafter set forth; provided nevertheless, that not more than four such Societies shall be entitled to the benefits and privileges of this Act in any one County, and that no Society shall go into operation under the provisions of this regulation without the previous sanction of the Governor in Council.

2nd.—The object of such Societies shall be to encourage the production, cultivation and improvement of seeds, vegetables, and fruits; to promote the introduction of improved stock, improved implements of husbandry, better system of culture, improvements in farm buildings, farm arrangements, and domestic manufactures; to hold shows, ploughing matches, and exhibitions; to award premiums for excellence; to collect and diffuse information on all subjects connected with agriculture, horticulture, and floral pursuits; to solicit and receive donations; and generally by every legitimate means to elevate the agricultural character of their respective districts.

3rd.—The Agricultural Societies already established, as also any other Societies hereafter to be organized, shall be respectively entitled to receive annually in the manner hereafter provided, as a bounty, treble the amount of the subscription by them severally so made, raised and paid in; but no County shall be entitled to receive a greater sum in the aggregate than eight hundred dollars in any one year; and the aggregate sum which any County may be entitled to receive shall be apportioned among the several Societies within the same, where there are more than one, in just proportion according to the amount of subscriptions made, raised and paid in by such Societies respectively; but such proportionment shall not prevent any Society from receiving the sum of one hundred and eighty dollars; the annual sum to be drawn for each County, where there is but one County Society, shall not exceed six hundred dollars.

4th.—In any year in which it may be considered advisable to make a Provincial importation of Stock, it shall be lawful for the Governor in Council to retain out of the Provincial Grants to the several Agricultural Societies, a sum not exceeding one-half of such grants; and the said sum so retained shall be used to supplement the fund for the purchase of Stock; and any Society purchasing at the sale of such Stock shall be allowed credit on any purchase made by them to the extent of the sum retained; and if any Society fail to purchase or do not purchase to the extent of the amount retained, the sum retained, or the balance over the purchase, shall be forfeited; provided that the Governor in Council may on sufficient cause shewn, relieve any Society from such forfeiture, or make such order respecting the same as may appear to them just.
