

11. Until the Stumpage is arranged for in the manner provided by these Regulations, all Logs or other Lumber cut within the limits of any License, shall be and remain the property of the Crown, and in no case shall be removed from the berths or brows until payment, or security therefor, is given to the satisfaction of the "Lumber Agent."

12. Any Logs or other Lumber cut within the limits of any License by any trespasser, shall, as between the trespasser and the Licensees, be deemed the property of the Licensee, and as between the Licensee and the Crown, shall be liable to the rates of Stumpage payable by the terms of such License, and shall be dealt with in the same manner as if the said Licensee, his Executors, Administrators or Assigns had actually himself or themselves cut the same, and shall be the property of the Crown until the Stumpage is paid or arranged, and shall not be removed until that is done. And if the Licensee pay or secure the Stumpage of any Logs or other Lumber cut by any trespasser, such Licensee may, if he see fit, bring an action of trespass, trover or replevin for such trespass-cut Logs or other Lumber, for his own benefit and behoof.

13. Should the Licensee or his Assigns fail to pay or arrange the Stumpage payable in respect of any Logs or other Lumber cut within the limits of any License, at the time by these Regulations specified, the Crown shall have the right and power to seize and sell at Public Auction, for cash, any part of such Logs or other Lumber, and the Licensee or his Assigns shall be entitled to any balance after deducting Stumpage, at the rates payable by the Licensee, and all expenses of seizure and sale.

14. All sums payable as Stumpage, under one hundred dollars, shall be paid in cash before the removal of Logs or other Lumber from the brows. For all sums above one hundred dollars, approved endorsed notes may be taken by the "Lumber Agents," payable not later than the first day of September next after the date thereof.

15. If any Logs or other Lumber is removed from the berth or brows without the consent of the "Lumber Agent," or without the mark which had been furnished to him, all such stuff will be forfeited, and the License cancelled.

16. The upset mileage paid on any License will be credited in arranging for stumpage, but only in cases where the "Lumber Agent" is satisfied that the Lumber was cut on the identical Berth for the mileage on which the credit is claimed.

17. Nothing in these Regulations shall prevent any person or persons from taking standing timber or material of any kind, for the purpose of making Roads or Bridges, or for Public Works, as provided for by 36th Victoria, Chapter 15.

18. No License to have any operation until an acceptance thereof be signed by the Licensee, or his agent for that purpose, authorized in *writing*.
