DOMINION PARLIAMENT.

Substance of Rules relating to Notices for Private Bills.

PARTIES intending to apply to Parliament for Private Bills giving any exclusive privilege, or profit or private or corporate advantage, or for the amendment of any former Act of a like nature, are notified that by the Rules of the two Houses of Parliament, published at length in the *Canada Gazette*, they are required to give two months' notice of their intended application in the *Canada Gazette* and in a Newspaper of the County or District affected, and to transmit to the Clerk of each House copies of the Newspapers containing the first and last insertion of such notice.

In Quebec and Manitoba the Notice is to be published in the English and French languages.

Every applicant for a Private Bill is required, eight days before the opening of Parliament, to deposit with the Clerk of the House in which the Bill is to originate, a copy of such Bill, with a sum sufficient to pay for the translation and printing of the same. Between the second reading of the Bill and its consideration by the committee to whom it is referred, the applicant is to pay a fee of \$200, besides the cost of printing the Act in the Statutes.

No Petition for a Private Bill is received by either House after the expiration of the first ten days of the Session.

Ottawa, 24th September, 1878.

ROBERT LEMOINE,
Clerk of the Senate,
ALFRED PATRICK
