And the Right Honorable the Lords Commissioners of Her Majesty's Treasury and the Secretary of State for India in Council are to give the necessary directions herein accordingly.
EDMUND HARRISON.

Sir M. E. Hicks Beach to the Earl of Dufferin.

DOWNING STREET, February 27, 1878.

MY LORD,—My predecessor communicated to the Registrar of the University of London your Despatch No. 207, of the 22nd of October, with the papers which accompanied it, in which certain suggestions were made in regard to the holding in Canada of University Examinations subsequent to the Matriculation Examinations in connection with the Gilchrist Scholarship.

I now enclose for your information, and for that of your Government, a copy of the reply which has been received from the Registrar.

Your Government will no doubt communicate to Mr. Prigsley the decision of the authorities of the University, and take such further steps in the matter as may be necessary.

I have, &c. (Signed) M. E. HICKS BEACH.

Governor General The Right Honorable
The Earl of DUFFERIN, K.P., G.C.M.G., K.C.B.

The University of London to the Colonial Office.

University of London, Burlington Gardens,
February 22, 1878.

SIR.—Referring to your letter of the 8th November 1877, I am directed to inform you that the Senate of the University of London have acceded to the request of the Governor General of Canada, as regards the holding in Canada of University Examinations subsequent to the Matriculation Examinations, but deem it requisite to limit this concession to the Examinations for Degrees in the Faculties of Arts and Laws.

In order that this scheme may be carried into effect, it will be requisite that the Senate should be informed not later than the 1st of May in each year, at what centres in the Dominion Candidates will present themselves for the ensuing First and Second Examinations for Degrees in Arts, and before the 1st of October in each year, at what centres Candidates will present themselves for the ensuing First and Second Examinations for Degrees in Laws. The requisite number of papers for these Examinations, addressed to the several centres named, will then be forwarded to the Colonial Office, on the understanding (as in the case of the Matriculation Examination) that due provision will be made by the local Governments for the conduct of the Examination, and that the answers of the Candidates will be returned through the Colonial Office with as little delay as possible.

I am, &c.

(Signed) WILLIAM B. CARPENTER,
Registrar.

W. R. MALCOLM, Esquire.
