Barristers' Society of New Brunswick.

At a Meeting of the Barristers' Society held in Easter Term, 1881, the 19th and 21st Sections of the Bye Laws of the Barristers' Society, passed on the 8th day of February, 1867, were repealed, and the following Bye Laws were passed and substituted in lieu thereof, viz:—

19. Before any person is presented to the Barristers Society for the purpose of being examined, in order to his being entered as a Student in the office of any Barrister, he shall give a Term's previous notice in writing put up in the Library Room on or before the first Friday of Trinity Term, and shall present a Petition to the Council of the said Society, setting forth his age, place of birth, residence, place of education, the branches in which he is prepared to undergo an examination, and the name of the Barrister with whom he proposes to study, which Petition shall be subscribed by the applicant, and certified by such Barrister; after a careful enquiry and personal examination as to the character, habits and education of the applicant, and that upon such enquiry and examination the Barrister verily believes the applicant to be a proper person and properly qualified to be admitted as a Student at Law, and upon his being approved by the Council, he shall be fully examined at Fredericton, which examination shall only take place annually in Michaelmas Term, at such time in Term as may be appointed, and by written questions and answers, or orally in such branches as two Members of the Council, one at least being an examiner, may determine. No person applying, being a graduate of any chartered College, will be required to undergo an examination.

21. Any Student who shall hereafter enter and be admitted a Student at Law, may make application for admission as an Attorney in Michaelmas Term only, and shall give a Term's notice in writing on or before the first Friday of Trinity Term of his intention to apply for admission, and shall undergo an examination at such time and place as the Council or any three Members thereof, two being examiners, may appoint, which examination shall be either by written questions or orally, or both, at the discretion of the examiners. If by written questions, the answers to such questions shall be in writing, and shall be written in a legible hand in the presence of one of the Council or examiners, or such other person as the Council may for that purpose appoint. No applicant shall be permitted to refer to any book or person, or other source of information, to assist him in such answers. The written papers shall be marked or designated by letters or numbers only, when there is more than one applicant, and shall be submitted to the examiners for inspection and approval, and if satisfactory, the examiners shall certify their approval thereupon; and without such certificate no applicant shall be deemed qualified for admission.

In the case of Students who have already entered, the applications for admission and examination shall be received and held semi-annually only, viz: in Easter and Michaelmas Terms; the Term's notice and other provisions above contained shall apply to such applicants; provided however, that in the case of Students already entered, whose terms of study shall expire either in Hilary or Trinity Term, such Students may, if they wish, be examined at the previous Term, and if such examination be found satisfactory, and they are in other respects entitled, may be admitted at the expiration of their term of study.

In cases where a Student has, during his term of study, been engaged in any other occupation or employment, he shall state in his Petition for admission particularly what the occupation or employment was, and how long he was engaged in it, and his Petition shall be accompanied by a certificate from the Barrister with whom he studied, distinctly verifying the statement, and declaring that the Student had engaged and continued in such occupation or employment during the time stated, and received the salary or remuneration (as the case may be) with his express knowledge and consent.

The foregoing amendments and additions to the Bye Laws and Regulations of the Barristers' Society of New Brunswick, having been submitted to the Judges of the Supreme Court for approval and sanction, it was ordered that the same be approved and sanctioned.

30th April, 1881.
