

ing himself to practice the same in this Province, unless he shall have obtained from the Council of Physicians and Surgeons a certificate that he has satisfactorily passed a matriculation or preliminary examination in the subjects specified in Schedule B to this Act, or unless he has passed a matriculation examination for an Undergraduate Course in Arts and Science at some College in Great Britain, Ireland, Canada, the United States of America, or the Continent of Europe.

10. No candidate shall be admitted to such matriculation or preliminary examination unless he shall have, at least fourteen days previous to such examination, given notice to the Registrar of the Council of his intention to present himself for such examination, and transmitted to the Registrar a certificate shewing that he has completed his sixteenth year, and shall before the examination have paid a fee of five dollars to the Registrar.

11. Subject to the exceptions hereinafter made, no person shall practise Physic, Surgery or Midwifery in New Brunswick, unless his name shall be registered in the Book of Registry of the Council of Physicians and Surgeons, or unless he shall have received from such Council a license to practise.

12. No person shall be entitled to have his name entered on the Register of the Council, or to receive a license to practise from such Council, unless he shall satisfy the Council that he has passed the matriculation or preliminary examination; that after passing such examination he has followed his studies during a period of not less than four years (one of which may be under the direction of one or more general practitioners duly licensed); that during such four years he has attended at some University, College, or Incorporated School of Medicine in good standing, courses of lectures amounting together to not less than twelve months on General Anatomy, on Practical Anatomy, on Surgery, on the Practice of Medicine, on Midwifery, on Chemistry, on Materia Medica and Pharmacy, and on the Institutes of Medicine or Physiology, and one three month's course of Medical Jurisprudence; that he has attended the general practice of an hospital in which there are contained not less than fifty beds under the charge of not less than two Physicians or Surgeons, for a period of not less than one year, or two periods of not less than six months each; that he has also attended two three months courses or one six months course of Clinical Medicine, and the same of Clinical Surgery; that he has after examination in the subjects of the course obtained a degree or diploma from such University, College, or Incorporated Medical School, if such University, College, or Incorporated Medical School requires a four years course in order to the obtaining its diploma, or for want of such degree or diploma that he has satisfactorily passed an examination in the various branches hereinbefore specified before examiners to be appointed by the Council; that he is not less than twenty one years of age; that he has paid to the Registrar of the Council a fee of ten dollars; provided that the Council shall have power, subject to the approval of the Governor in Council, to make such alterations in the foregoing curriculum as may from time to time be required; provided also, that in the event of any person applying for registration as a Practitioner of any system of Medicine, the registered Practitioners of that system shall have the right to appoint an examiner or examiners on the subjects peculiar to that system, viz: Materia Medica, Phar-

macy and Therapeutics, and if they shall neglect so to do the Council shall have the power to appoint such examiner or examiners.

13. The last preceding Section shall not apply to any person in actual practice who shall be entitled to register under Section 38, and to receive a License to practise under this Act on payment of two dollars; and notwithstanding the provisions of such Section, any person upon producing to the Council conclusive evidence that he has passed a Matriculation or preliminary Examination, such as is required by this Act for persons beginning the Medical studies in New Brunswick, that he has, before Graduating or taking a Diploma, studied for at least four years in the manner provided in Section 12 of this Act, or pursued what the Council shall deem an equivalent course of study, and has passed a final examination in the subjects of such course; or for want of such requisites, shall have fulfilled such conditions as the Council may determine, and shall pay a fee of ten dollars, shall be entitled to be registered and to receive a license to practise.

14. Any resident of this Province who began the study of Medicine in a *bona fide* manner before the first of January, 1881, shall, for the purposes of registration, be required to produce credentials such as are specified in Section 38, and shall pay a fee of five dollars.

15. The Council shall have power and it shall be their duty—

(1) To elect a President and such other officers, including the Secretary and Registrar hereinbefore provided for, as may be necessary to the working of this Act:

(2) To regulate the study of Medicine, Surgery, and Midwifery, by making rules, not inconsistent with this Act, with regard to the preliminary qualification, course of study to be followed, the final examination, and the nature of the evidence to be produced before the Council upon these subjects:

(3) To appoint fit and proper persons to conduct the preliminary or matriculation examinations, to decide upon the times for holding such examinations, and to fix the remuneration (if any) to be paid such Examiners:

(4) To examine all degrees, diplomas, licenses and other credentials presented or given in evidence under this Act, for the purpose of enabling the owner to practise in New Brunswick, and to oblige the owner of such credentials to attest on oath, or by affidavit, that he is the person whose name is mentioned therein, and that he became possessed thereof honestly:

(5) To cause every member of the profession practising in New Brunswick to register his name, age, place of residence, place of nativity, the date of his license or diploma, and the place where he obtained it, in the Register of the Council:

(6) To make orders, regulations and bye laws for regulating the Registers to be kept under this Act:

(7) To make all such rules, regulations and bye laws for carrying this Act into effect, as to the Council shall seem proper or necessary; which rules, regulations and bye laws shall not be inconsistent with this Act, and may be disallowed by the Governor in Council:

(8) To appoint as many Medical Examiners to hold final examinations when necessary as the Council shall deem proper, such Examiners to be regularly qualified Practitioners of not less than five years professional standing, and three
