## CIRCULAR.

### Fredericton Historical Society.

THE FREDERICTON HISTORICAL SOCIETY (instituted  
December 22nd, 1881) has been formed with the object of  
gathering together any and all Documents, Papers and Manu-  
scripts which bear or throw light on the history of the Province,  
with a view to their preservation and chronological arrange-  
ment; and, also, of collecting materials, of the present and  
passing day, for the writing of its history in the future—such  
as Pamphlets, Reports of all kinds, Books, Legislative Docu-  
ments, and all Newspapers, published in New Brunswick.

The Society desire to repair, to as great an extent as possi-  
ble, the neglect of such collections in the past, and to ensure  
the Province against the chance of a similar charge of neglect  
being brought in the future against the present time. In con-  
nection with the Library which the Society hope to be able to  
form, there will be a Museum, where will be preserved memo-  
rials of the era when the Indian tribes and the Acadian habitants  
were scattered throughout the Province, and of the time before  
and after the American Revolutionary War, when the British  
settlers and the U. E. Loyalists came in to possess it.

The President and Council are convinced that there is much  
matter lying away hidden, or all but forgotten, in waste places  
and lumber rooms throughout the Province, which would be  
invaluable for the objects of the Society. In order to further  
these objects, they take this method of soliciting the people of  
Fredericton and of the Province generally, to give them aid, by  
entrusting to the Society's care any and all such documents,  
papers, manuscripts and memorials as before mentioned, as any  
of them may possess, and which they may feel free to part with  
for a public purpose. Due acknowledgment of all gifts of that  
nature, with the names of the donors, will be made through  
the medium of the Press.

[As the object of the Society is strictly Provincial, all Editors of  
Newspapers friendly disposed to and willing to assist it, will confer  
a favor by their publishing this Circular (once) gratis, and sending a  
copy of the Papers containing the same to the Secretary,—to whom  
also all Communications and Parcels will be addressed].

ANDREW ARCHER,  
*Secretary.*

G. E. FENETY, *President.*
