

- 11.—Until the Stumpage is paid or arranged for in the manner provided by these Regulations, and where notes are taken as hereinafter mentioned, until such Notes are actually paid, all Logs or other Lumber cut within the limits of any License shall be and remain the property of the Crown, and in no case shall be removed from the berths or brows until payment or security therefor is given to the satisfaction of the "Lumber Agent."
- 12.—Any Logs or other Lumber cut within the limits of any License by any trespasser shall, as between the trespasser and the Licensee, be deemed the property of the Licensee, and as between the Licensee and the Crown, shall be liable to the rates of Stumpage payable by the terms of such License, and shall be dealt with in the same manner as if the said Licensee, his Executors, Administrators or Assigns had actually himself or themselves cut the same, and shall be the property of the Crown until the Stumpage is paid or arranged, and shall not be removed until that is done. And the Licensee shall pay or secure the Stumpage of any Logs or other Lumber cut by any trespasser, and may, if he see fit, bring an action of trespass, trover or replevin for such trespass-cut Logs or other Lumber, for his own benefit and behoof.
- 13.—Should the Licensee or his Assigns fail to pay or arrange the Stumpage payable in respect of any Logs, Timber or other Lumber as aforesaid, cut within the limits of any License, at the time by these Regulations specified, the Crown shall have the right and power to seize and sell at Public Auction, for cash, the whole or any part of such Logs, Timber or other Lumber, or anything made therefrom, and the Licensee or his Assigns shall be entitled to any balance after deducting Stumpage at the rates payable by the License, and all expenses of seizure and sale.
- 14.—All sums payable as Stumpage, under one hundred dollars, shall be paid in cash before the removal of the Logs or other Lumber from the brows. For all sums above one hundred dollars approved endorsed Notes may be taken by the "Lumber Agent," payable not later than the first day of September next after the date thereof.
- 15.—If any Logs or other Lumber is removed from the berths or brows without the consent of the "Lumber Agent," or without the mark which had been furnished to him, all such stuff will be forfeited and the License cancelled.
- 16.—Nothing contained in this License shall be a bar to or prevent the Surveyor General at any time during the term of the same from licensing to any other person or persons the whole or any part of the above described lands for the purpose of cutting and removing any description of Timber or Lumber other than that herein mentioned.
- 17.—Nothing in these Regulations shall prevent any person or persons from taking standing timber or material of any kind for the purpose of making Roads or Bridges, or for Public Works, as provided for by Chapter 20 of the "Consolidated Statutes."
