#### ANNO QUADRAGESIMO SEPTIMO VICTORIÆ REGINÆ.

An Act respecting the granting of Licenses for sale of Spirituous Liquors.

*Passed 1st April, 1884.*

WHEREAS the Parliament of Canada at the Session held in the year of our Lord one thousand eight hundred and eighty three, passed an Act intituled "The Liquor License Act of 1883," purporting to deal with the issue of Licenses for the sale of Liquor, and with the regulation of taverns, saloons, shops, and vessels, wherein liquor may be sold, and otherwise, as by the said Act is provided; and

Whereas by the second sub-Section of the seventh Section of the said Act it is provided that "hotel, saloon and shop Licenses, and such other of the Licenses by this Act authorized to be issued, as to which a Provincial Legislature may impose a tax in order to the raising of a revenue, shall be subject to the payment of such duty as the Legislature of the Province, under the power conferred by the ninth enumerated class of subjects in Section ninety two of The British North America Act 1867, may impose for the purpose of raising and in order to raise a revenue for Provincial, local or municipal purposes"; and

Whereas by the second sub-Section of the fortieth Section of said Act it is further provided "That in any Province in which in order to the raising of a revenue for Provincial, local or municipal purposes, a Duty has been imposed under the authority of The British North America Act 1867, on any License, before the License issues the person entitled thereto shall establish to the satisfaction of the Chief Inspector that he has paid or tendered such Duty; and

Whereas the Legislature of this Province claims and contends that the right to legislate in respect of the aforesaid Licenses and otherwise as to the sale of spirituous and fermented liquors, and to regulate the sale thereof, and the houses in which the same is sold, is by The British North America Act conferred upon Provincial Legislatures exclusively; and

Whereas should the said Act of the Parliament of Canada, notwithstanding the said claim and contention of the Legislature of this Province, be held to be valid, it becomes necessary in order to the raising of a revenue for Provincial, local and municipal purposes, that a Duty be imposed upon the Licenses aforesaid, which may be issued under the authority of the said Act of the Parliament of Canada; and

Whereas it is expedient and desirable to provide against the loss of revenue which cities, towns and counties in this Province might suffer, pending the settlement of the ques-
