GENERAL RULES.

MICHAELMAS TERM, 1885.

County Court Appeals.

1. It is ordered that no appeal from the decision of a Judge of a County Court shall be entered on the Appeal Paper, unless the proceedings duly certified by the Judge have been received in the Office of the Clerk of the Pleas seven days before the first day of the Term at which it is intended to be entered.

2. It shall be the duty of the appellant to prepare and file with the Clerk of the Pleas for the use of the Court, on or before the first day of the Term, a brief statement of the material facts in the case, plainly and legibly written, together with the grounds of the appeal, numbering the same consecutively, and referring to the page or pages of the proceedings to which the several grounds respectively relate; and such statement shall be framed as near as may be as the notices of motion for new trials required by the Rule of Hilary Term, 1867, and the appellants on the argument of the appeal shall be confined to the grounds so stated. A copy of such statement and grounds of appeal shall be filed for each of the Judges of this Court.

3. Rule one of Michaelmas Term, 1876, (Earle's Rules, 195), relating to County Court appeals, is hereby rescinded, and in lieu thereof it is ordered, that the appellant, having filed the statement herein before required, shall enter the cause on the Appeal Paper of the Term in which such statement is so filed.

4. In case the appellant shall neglect to enter the appeal on the Appeal Paper, according to the last preceding Rule,

or having entered it, shall not argue it when reached in due course on the paper, or pursuant to any order of the Court made in respect thereof, then and in either of such cases, the respondent may, on the case being reached on the paper, or upon any subsequent common motion day, move that the said appeal be dismissed. Rule 2 of Michaelmas Term, 1876, is hereby rescinded.

5. The Clerk of the Pleas shall, on the application of the Attorney of any appellant, deliver to him the proceedings, certified by the Judge of the County Court, (taking a receipt therefor), in order that the statement required by Rule two may be prepared, and such Attorney shall return such proceedings to the said Clerk before the opening of the Court on the first day of the Term.
