Rules and Practice of the House of Assembly

PRIVATE BILLS.

185. No Bill of a private nature shall be received by this House after the twentieth day from the opening of the Session, both inclusive, and that the Clerk of this House do cause this Rule to be published in the Royal Gazette weekly during each recess of the Legislature; and this Rule shall not be suspended except in the same manner as a Joint Rule of this House and the Legislative Council is suspended.

186. (*Joint Rule*).—No Bill of a private nature, or Bill for making any amendments of a like nature to any former Act, shall be received by the House, unless a notice specifying the several objects desired to be attained, has been published four successive weeks previous to the meeting of the Legislature or to the introduction of the Bill, in some one of the Newspapers published in the City or County interested in or to be affected by the measure, or in the locality where the parties affected or the majority of them reside.

187. When no Newspaper is published in either of such localities, then in some Newspaper published in the nearest adjoining County; and when no Newspaper is published therein, then in the Royal Gazette.

188. When the City or County interested in the measure, or the locality in which the parties affected reside, is largely composed of a French population, then such notice shall also be published in a French Newspaper, if any be published in the Province.

189. In any County where no Newspaper may be published, the Bill, in lieu of other local notice or publication, may be read at the Assizes, in the presence of the Grand Jury, or before the Council of an Incorporated Town, or before the Municipal Council of the County, interested in or affected by the Bill; and a certificate of such reading shall be endorsed upon or attached to the said Bill, by the Clerk of the Court, or the Town Clerk, or the Secretary-Treasurer, as the case may be, verified by the Seal, if any, of and in case of the Town Council or Municipal Council, as the case may be; and (*Joint Rule*) separate Petitions must be presented to each Branch of the Legislature, setting forth in detail the object of the measure and the reasons that may be urged for its adoption.

190. (*Joint Rule*).—It shall be the duty of all parties seeking the interference of the Legislature in any Private Bill, to file with the Clerk of each House the evidence of their having complied with the Rules and Standing Orders thereof.

191. In default of such proof, or evidence, being so furnished, it shall be the duty of the Clerk to report to Mr. Speaker or the House that the Rules and Standing Orders have not been complied with, and to endorse the same upon the Bill.
