

14. All sums payable as Stumpage, under one hundred dollars, shall be paid in cash before the removal of the Logs or other Lumber from the brows. For all sums above one hundred dollars, approved joint notes may be taken by the 'Lumber Agent,' payable not later than the first day of August next after the date thereof.

15. Licensees who have paid or arranged their Stumpage dues as herein provided, and who have otherwise duly complied with all existing Regulations and the conditions of this License, shall be entitled to five successive annual renewals of such parts of their licensed ground as may then be vacant and unlocated, on payment of the mileage thereon, at the rate of four dollars per square mile, before the expiry of the License of the year preceding, (the residue, however, of any such ground to be still reckoned at not less than two square miles) Provided, however, that no renewal mileage shall be received until such time as Stumpage dues are paid or Stumpage notes retired. All such Renewal Licenses shall be subject to the right of the Governor in Council to increase the Stumpage on Hemlock if deemed advisable, and other lumber not particularly mentioned in Clause 3, and also to any further Regulations that may be made by Order of the Lieutenant Governor in Council, for the purpose of expeditiously enforcing the payment or adjustment of Stumpage on any Logs or other Lumber cut within the limits described in any License, or otherwise giving effect to and enforcing the conditions of the License. Should any Licensee, either by himself or any one under him, desire to cut and peel Hemlock under his License, it shall be the duty of the said Licensee to notify the Surveyor General in writing, stating that he or his parties intend peeling Hemlock Bark on certain Licenses, giving the numbers thereof. This notice must be given before the peeling commences. Before any Hemlock is cut or peeled from any

License, the Licensee shall furnish the Surveyor General in writing with the name of each Operator, and also with the mark he shall use, and such Operator shall be required to distinctly mark with the mark furnished the Surveyor General, each and every Hemlock Log that he may cut and peel, in order that the Scaler may be enabled to determine the quantity chargeable to each Operator. Failure to comply with this regulation shall cause the Hemlock so cut to be subject to double Stumpage and expenses, and the License shall be thereupon cancelled.

16. If any Logs or other Lumber is removed from the berths or brows without the consent of the 'Lumber Agent,' or without the mark which had been furnished to him, all such stuff will be forfeited and the License cancelled.

17. No Spruce or Pine Trees shall be cut by any Licensee under any License which will not make a log at least 18 feet in length and 10 inches at the small end; and if any such shall be cut, the Lumber shall be liable to double stumpage and the License be forfeited.

18. As a protection to the Government against lands being held for speculative purposes, all Licensees shall make such operations annually on the lands held by them under License as shall be deemed reasonable by the Department of Crown Lands, and on failure to comply herewith the Licenses shall be forfeited and the berths held under them become vacant.

19. If a Licensee have any objection to the scale of the Government Scaler, such objection must be made before the Lumber in question leaves the brows or landings, so that the objection may be investigated before the logs or lumber is driven, otherwise no subsequent claim for over-charge of Stumpage can be entertained by the Government.

#### CROWN LAND OFFICE, 31st August, 1887.

THE right of License to cut all classes of Lumber until the 1st day of August, 1888, on Crown Lands which were recently under License to the undermentioned persons, will be offered for Sale at Auction, (*agreeably to the foregoing Regulations*).—The Sale will be held at this Office on WEDNESDAY the 14th day of September next, beginning at noon.

Not to interfere with any recorded Sales of Land not yet declared cancelled for non-compliance with the Regulations, nor with any Lots now actually occupied and improved to the present value of one hundred dollars, nor with any Lots reserved under applications for which Returns of Survey were received at this Office previous to 1st day of July, 1887.

#### Upset Price for Mileage.

Eight dollars per Square Mile, and Stumpage as per Regulations herewith published.

#### No refund of Mileage.

N. B.—Changes made in extent of ground comprised within any License, on account of surveys or for other reasons, can be ascertained on application at this Office.

JAMES MITCHELL, *Surveyor General*.

#### Wednesday, 14th September, 1887.
