All Licensees shall, when required, furnish through themselves, their agents and foremen, to such agent or agents as the Surveyor General may appoint for that purpose, and at such time and place as such agent or agents may require, satisfactory proof, upon oath, as to the exact locality where all the Saw-logs, Timber, Trees and other Lumber, as provided by this License, in his or their possession, were cut, with the mark or marks thereof, giving the number of pieces and description of such Saw-logs, Timber, Trees and other Lumber, cut by themselves and others, to their knowledge, upon each of the Timber Berths held or occupied by him or them respectively, designating what quantity, if any, had been cut on any other lands, describing the same, exhibiting at the same time, for the inspection of such agent or agents, if required, the books of account and measurement of such Saw-logs, Timber and other Lumber, under his or their control respectively, and shall moreover furnish such agent or agents all required information and facilities to enable him or them to arrive at a satisfactory determination as to the quantity and description of such Saw-logs, Timber, Trees and other Lumber made by him or them, or held in his or their possession respectively, on which Government dues are chargeable; and in the event of such agent or agents deeming it expedient to cause such Saw-logs, Timber or other Lumber to be counted or measured, such Licensee or occupier of such Timber Berth, and his or their agents or foremen, shall, if required, aid and assist in such count or measurement; but should such Licensee or occupier, or his or their agents, fail to comply with these conditions, on notice in writing signed by the Surveyor General or his Lumber Agent, and delivered to the said Licensee or his Assignee personally, or mailed to his address, such Licensee shall forfeit all right to his License, and the Berth and limit shall become vacant.

6. All applications for Licenses of Crown Lands remaining

unsold at the Annual Sales, shall be made by Petition, (not later than the first day of July next after such Sale), which shall describe the situation thereof, and specify the number of square miles required by the applicant. No petition to be for more than ten nor less than two square miles. Only one application to be received by the Surveyor General for the same ground.

7. All expenses of the survey of the Timber Berths described in this License to be borne by the Licensee; and should the Surveyor General deem it necessary that the bounds of this License should be determined, the Licensee shall employ, at his own expense, a Deputy Land Surveyor to make such survey; and failure to do so, on the request of the Surveyor General, shall cause the License to be cancelled. Before any survey of this License is made the Licensee shall obtain from the Surveyor General an Order to some duly deputized Crown Land Surveyor, to survey such License, and no survey of any License shall be made without such Order, and such survey must be made in strict accordance with such instructions as may be given by the Surveyor General. Immediately after the completion of any such survey, the Deputy Crown Land Surveyor employed shall file in the Surveyor General's Office a complete plan of such survey, with all necessary field notes of same.

8. Every applicant on filing his Petition shall deposit with the Receiver General the sum of eight dollars upon each square mile applied for, and should the party so depositing become the purchaser at Auction, such deposit shall be applied towards the payment of the purchase money; and in case the ground so applied for shall not be purchased at the time advertised for the sale thereof, the deposit so made shall be forfeited; and in case some other person than the depositor shall become the purchaser, and comply with the terms of the sale, the amount so deposited shall be forthwith refunded to the party who may have paid the same.

9. All Berths applied for shall, if vacant, be advertised in the *Royal Gazette*, and at least fourteen days' notice of sale given; and unless the whole of the purchase money be paid by the purchaser to the Receiver General at the time of the sale, such sale shall be void, and the ground shall be forthwith put up again for competition between any other parties, the upset price being in all cases Eight dollars per square mile; and every License for a Timber Berth shall expire on the first day of the month of August next ensuing after the issue of such License.

13. Any Logs or other Lumber cut within the limits of any License by any trespasser shall, as between the trespasser and the Licensee, be deemed the property of the Licensee; and as between the Licensee and the Crown, shall be liable to the rates of Stumpage payable by the terms of such License, and shall be dealt with in the same manner as if the said Licensee, his Executors, Administrators, or Assigns, had actually himself or themselves cut the same, and shall be the property of the Crown until the Stumpage is paid or arranged, and shall not be removed, until this is done. And the Licensee shall pay or secure the Stumpage of any Logs or other Lumber cut by any trespasser, and may, if he see fit, bring an action of trespass, trover, or replevin, for such trespass cut Logs or other Lumber, for his own benefit and behoof.

14. Should the Licensee or his Assigns fail to pay or arrange the Stumpage payable in respect of any Logs, Timber or other
