FRANK A. GODSOE, REGISTRAR.

Any Dentist or Dental Surgeon practising dentistry in any form in the Province of New Brunswick, whose name does not appear in the list above, is not registered as per Section 18 of "The New Brunswick Dental Act, 1890," and is liable to prosecution under said Act, and cannot legally collect fees for services rendered, as per Section 30 of "N. B. Dental Act, 1890," which reads as follows:—"No person shall be entitled to recover any charges in any Court of Law for services as Dentist or Dental Surgeon, or for any medicines which he shall have both prescribed and supplied, unless he shall prove upon trial that at the time the services were performed, or the medicines prescribed and supplied, he was registered under this Act."

NOTICE IS HEREBY GIVEN, That application will be made to His Honor the Lieutenant-Governor in Council, for the issue of supplementary letters patent, to confirm a by-law which was passed at a meeting of the Directors of the Record Foundry and Machine Company, held at the office of the Company in the City of Moncton on the third day of February, A. D. 1903, and sanctioned at a duly called special general meeting of the Stockholders of the Company held in the office of the Company at Moncton on Thursday the twelfth day of March A. D. 1903, by the unanimous vote of all the shareholders present in person or by proxy, which by-law reads as follows:—

"RESOLVED,—

1. That the Capital Stock of the said Company shall be increased from the sum of two hundred and fifty thousand dollars to the sum of one million dollars, by the issue of 7,500 shares of new stock of One hundred dollars each.
2. That five hundred thousand dollars of the new stock shall be "A" or ordinary stock; and the balance of the new stock together with the stock already taken up, shall be "B" or preference stock; and the said "B" or preference stock shall confer the right to a fixed cumulative preferential dividend at the rate of six per cent. per annum payable annually, accruing from the date

of payment by subscribers to be provided for out of the net earnings of the Company before any dividends are paid upon common stock; and upon condition that if in any one year dividends amounting to six per cent. are not paid on the "B" or preference stock, the deficiencies shall be a first charge upon the net earnings of the Company and shall be paid subsequently before any dividend is paid upon or set apart for the common stock; and such preference shares shall not be entitled to participate in further dividends or profits.

Said preference shares shall also confer on the holders thereof, in case the Company shall be wound up or its assets otherwise distributed, the right to have the surplus assets applicable for distribution among the shareholders applied first in payment of the capital paid up on such preference shares before any portion of such surplus assets is distributed among the holders of shares not entitled to such preferences; but the holders of such preference shares shall not be entitled to participate in any surplus remaining after the whole amount of the capital paid up on such preference shares has been returned to the holders thereof."

Dated at Moncton, N. B., this thirteenth day of March, A. D. 1903.
