# IN THE MATTER OF "THE NEW BRUNSWICK JOINT STOCK COMPANIES' ACT, 1893."

NOTICE is hereby given that application will be made under the said Act and the Acts in amendment thereof, to His Honour the Lieutenant-Governor in Council for a Grant by Letters Patent, under the Great Seal of the Province, of a Charter constituting the applicants and others who may be or become shareholders in the Company proposed to be created a body corporate and politic for the purposes and objects hereinafter mentioned.

The proposed name of the Company is "THE PRINCESS ROYAL GOLD MINES, Limited."

The objects for which its incorporation is sought are as follows:—

To purchase, acquire, hold, use, occupy and possess mines, mining areas, mining licenses and leases, lands, tenements and hereditaments, and any interest or interests therein, and the acquisition and development, work, purchase and sale of mining lands and premises and mining leases, licenses, rights and privileges, and generally to carry on the business of mining, with all the powers necessary or incident thereto.

To mine, quarry, work, mill and prepare for sale by any process, and to sell and deal in Gold, Silver, Copper and other minerals, and generally to carry on the trades of mining and mine owners.

To construct, purchase, alter and maintain and to contribute to the purchase, construction, alteration or maintenance of any building, tramway, wire rope tramway, canal, wharf, dam, bridge, pier, road or other work calculated to afford any facility in carrying on or extending the business of the Company, and to operate such tramway, wire rope tramway and other works by steam, electricity or other motive power.

To purchase, hire, construct or manufacture for use in connection with the business of the Company any ships, barges, rolling stock, machinery or plant.

To acquire, purchase, use, hold, sell, transfer and dispose of any rights under Letters Patent, franchises, trade marks and other rights and rights in lands, tenements and hereditaments in connection with the business of the proposed Company.

And for the purposes aforesaid to acquire the good will of any business as within the objects of the Company, and any lands, tenements and hereditaments, privileges, contracts, rights and powers appertaining to the same and in connection with any such purchase or acquisition to assume the liabilities of any Company, association, partnership or person.

To sell and dispose of any part of the property or undertaking of the proposed Company to any other company or person.

To acquire by original subscription or otherwise, and to purchase, hold, sell, transfer or otherwise dispose of the shares, stocks, debentures, bonds and other obligations of any other Company carrying on or authorized to carry on any business or undertaking within the power of the proposed Company.

To construct, purchase and maintain any plant, building, works, factories, mills and other undertakings for the purposes of the Company or connected therewith, or necessary or expedient for any of the purposes of the Company or incidental thereto.

To purchase, acquire, hold, use, sell, transfer and dispose of personal property of all kinds, machinery, patents and trade marks, timber and lumber rights, ores, metals, minerals and mining rights and easements of every description, and all rights of way and of common carriage in connection with the business of the Company, and to lease, mortgage, sell, transfer and dispose of and otherwise deal with all or any of the property, real or personal, powers, privileges and franchises of the Company, and to accept as a consideration therefor any shares, stocks, debentures or securities of any other Company, and generally to do all things necessary or expedient for carrying out the objects of the said Company hereinbefore mentioned or any of them or incidental thereto.

To operate any of the works of the Company by water, steam, electricity, compressed air or any other motive power, and generally to use water, steam, electricity, compressed air or any other agency as a motive power or otherwise.

To construct and maintain a telephone or telegraph line and lines for distribution of electric current and also water mains, where necessary, convenient or desirable, for the business of the Company.

To generate, use, buy, sell, accumulate, store, transmit, furnish and distribute electric current for light, heat or power, and

to manufacture, buy, sell, operate, lease and let electric light fixtures, supplies and appurtenances used in connection therewith.

To carry on business as general merchants and traders.

To apply from time to time any part of the funds, stock, bonds, debentures and other obligations of the Company, for any purpose of the Company.

The applicants will in their application for Letters of Incorporation ask that there be embodied in the Letters Patent for the incorporation of the proposed Company, provisions authorizing and empowering the Board of Directors of said proposed Company to pay for the mineral claims, lands and other property both real and personal which the Company may acquire, in stock of the Company, such stock to be issued as fully paid up and non-assessable.

The office or chief place of business of the Company shall be at Rothesay, in the County of King's and Province of New Brunswick.

The amount of the Capital Stock of the said Company shall be One million two hundred and fifty thousand dollars, to be divided into shares of One dollar each.

The name in full, address and calling of each of the applicants, who are to be the first or Provisional Directors of the Company, are as follows:—
