

(d) To hunt, take and kill, within the County of Westmorland any game as mentioned and provided in section 7 (5) of this Chapter. 63 V. c. 39, s. 3 (1) part.

45. Every license shall be plainly and legibly dated by the warden issuing the same, and shall be in force to the end of the season, then current, for the kind of game, the hunting of which is authorized by such license, or, if the license is issued in the close season then during the whole of the open season for such game next following the issue thereof, and no longer, and a report of the issue of such license shall forthwith be sent by such warden to the chief game commissioner, with a statement of the locality in which the licensee intends to hunt. 62 V. c. 8, s. 40; 63 V. c. 39, s. 3 (1), part.

46. Any resident of the Province shall pay, upon making application for and before delivery of either of the licenses provided in sub-sections (a) or (b) of section 44, a license fee of two dollars, and every non-resident applying for any license provided in section 44 shall, upon such application and before delivery of the license, pay a license fee of thirty dollars. 62 V. c. 8, s. 41; 63 V. c. 39, s. 12.

47. License fees collected by any warden under this Chapter shall forthwith be paid to the Surveyor-General, who shall add the same to the fund formed under the provisions of section 20. 62 V. c. 8, s. 42.

48. Any warden may, on application of any person within ten days after the commencement of the close season, for a license to sell any carcass, or portion thereof, or the green hide or pelt, or the nest or eggs of any game, upon satisfying himself that such game was killed during the open season for such game, issue a permit or license, describing the quantity and nature of such game, and authorizing the sale of the same within ten days therefrom; and any such licensee selling or offering for sale such game before the date of the expiry of such permit, shall be exonerated from all penalty under this Chapter. 62 V. c. 8, s. 43.

49. The Surveyor-General may issue licenses not inconsistent with any law of the Dominion of Canada, authorizing the exportation from the Province, or the transportation within the Province of any game, whether alive or dead; and the Surveyor-General may also issue licenses permitting the taking or killing of any game within the Province for preservation as specimens of natural history, or for scientific investigation. 62 V. c. 8, s. 44.

50. No license or permit issued under the provisions of this Chapter shall be valid unless signed by the Surveyor-General, and countersigned by the chief game commissioner or warden who may have issued the same. 62 V. c. 8, s. 45.

RETURNS TO LEGISLATURE.

51. The Surveyor-General shall, in each and every year, lay before the Legislature a statement of all licenses issued, and of all receipts and expenditures under this Chapter. 62 V. c. 8, s. 46.

REWARDS.

52. The Surveyor-General may, at any time, offer a reward, not exceeding one hundred dollars, for information resulting in the apprehension and conviction of any person offending against any of the provisions of this Chapter. 62 V. c. 8, s. 47.

GRANTS.

53. The Lieutenant Governor-in-Council may, by order in Council, authorize the expenditure out of the public moneys, in the usual manner, of any sum for the enforcement of this Chapter, such sum to be in addition to any amounts collected and received by the Surveyor-General from licenses or penalties under this Chapter. 62 V. c. 8, s. 48.

BOUNTIES.

54. A bounty of one dollar and fifty cents for every wild cat or lynx killed within the Province may be paid by the Surveyor-General upon the production by the applicant therefor of a warden's certificate in the form set forth in schedule (B) hereto. Every warden before issuing any such certificate shall require the applicant therefor to sign and swear to a statement in writing in the form set forth in said schedule (B) (which oath said warden is hereby authorized to administer) and shall also require the production by such applicant of the entire skin of the animal for the killing of which such bounty is claimed, with the nose thereof in as perfect a state as when killed, excepting natural decay; and the said warden shall thereupon cut off the whole of the nose from such skin and entirely destroy it by burning. Every such statement in writing sworn to under the provisions of this section, shall forthwith, upon the taking thereof be forwarded by the warden taking the same to the Surveyor-General. 62 V. c. 8, s. 49.

GENERAL PROVISIONS.

55. All information respecting violations of the provisions of this Chapter given to any officer of the Crown Land Department, or to any warden, justice or constable, shall be confidential and privileged, and no such person shall be compellable to disclose the same, or the name of such informant. 62 V. c. 8, s. 50.

56. In any case where a close season for game, under this Chapter, or any amending Act, expires during the interval between the sessions of the Legislature, the Lieutenant Governor-in-Council may, by order published in the Royal Gazette, extend or renew such close season, beyond the time of such

close season named in this Charter or amending Act, and may in and by such order, provide and require that the extension of such close season so ordered, shall continue for and exist and be in force over and during a period of time to be in and by such order fixed and limited, ending not later than the close of the next succeeding session of the Legislature, and in and by such order may define the portion or portions of the Province over and in regard to which such order shall, in any case, extend and apply, and such order when published in the Royal Gazette as aforesaid, purporting to be so published by the direction of the Provincial Secretary, shall have the same force and effect as if originally enacted in this Chapter, and a violation thereof shall be punished in like manner as a violation for the close season for the same class of game provided in and by this Chapter. 63 V. c. 39, s. 2.
