CROWN LAND OFFICE,

Fredericton, N. B., July 15th, 1903.

To Licensees of Crown Timber Lands, and any others interested.

GENTLEMEN,—

As you are aware, during the last Session of the Legislature, it
was announced by the Premier in his budget speech, that it was the
intention of the Government to increase the Stumpage during the
present season. In view of that fact and considering the very many
important questions connected with the administration of the Crown
Timber Lands of the Province, such as protection against fire, re-
afforestation, etc., after consultation with my colleagues, I have
considered it advisable, in the interest of the Department as well as
of Licensees, that a conference of Lumbermen and those interested
in the Crown Timber Lands should be held at Fredericton for the
purpose of considering these questions with a view to more fully
protect and promote the interests of all concerned. I have therefore
decided to fix the fifth day of AUGUST next, at the Departmental
Building, Fredericton, at 10 o'clock, a. m., for the purpose of such
conference, and trust that you may find it convenient to attend, as I
deem it most important that the meeting should be as large and as
representative as possible, it being my intention to secure the atten-
dance of an expert in forestry, who will doubtless be able to furnish
valuable information on this important subject.

I have the honor to be,

Your obedient servant,

A. T. DUNN,
Surveyor General.
