UNDER "THE LIQUOR LICENSE ACT, 1896."

NOTICE IS HEREBY GIVEN, That the Liquor License Commissioners for the License District of Restigouche County, under "The Liquor License Act, 1896," will meet at the Court House in the Town of Dalhousie, on THURSDAY the 21st day of APRIL instant, at ten o'clock in the forenoon, to consider applications for license to sell liquor under the provisions of the said Act in the said license district, for the year commencing the first day of May next, and any other matter relating thereto that may come before them.

The total number of licenses in this district at present is six—all retail; three of which are in the Parish of Dalhousie, the licensees being Thomas Murphy, Henry Wipper and Leon Samson; and three in the Parish of Durham, the licensees being Michael P. Doyle, Felix Ultican and John Barbour.

Three of the said licensees, namely, Thomas Murphy, Henry Wip-

per and Felix Ultican, have filed their petitions, as the law directs, for a renewal of the licenses for their respective premises for the ensuing license year.

There are two new applicants whose petitions show that they desire to sell liquor by retail at the undermentioned places, namely, Eugenie Samson, who petitions for a renewal, in her own name, of the same kind of license for the same house and premises in the Town of Dalhousie as her late husband held when he died a few days ago; and Felix Frenette, who petitions for a renewal, in his own name, of the same kind of license as John Barbour held for the house and premises at Jacquet River, which license upon his removal from the said house and premises he transferred to the said Felix Frenette, who now occupies the premises.

Dated at Upper Charlo in said liquor license district, this second day of April, A. D. 1904.
