NOTICE IS HEREBY GIVEN, That the persons hereinafter named will apply to His Honor the Lieutenant-Governor-in-Council for grant of a Charter for incorporation, by Letters Patent, under the Great Seal of the Province of New Brunswick, according to the provisions of the New Brunswick Joint Stock Companies' Act, Chapter 85, of The Consolidated Statutes of New Brunswick, 1903, incorporating the applicants and such other persons as may hereafter become shareholders in the proposed Company, a body corporate and politic, under the name and for the purposes hereinafter set out.

1. The name of the proposed Company is to be THE EUREKA MFG. Co., Limited.

2. The objects for which incorporation is sought are:

(a) To make, manufacture, construct and build appliances and apparatus for the manufacture of acetylene gas, and appliances and apparatus used in connection with the same, and to carry on in the said Province of New Brunswick the trade or business of buying, selling, manufacturing and installing gas machines, generators, purifiers, lamps, appliances, fixtures, pipes and all necessary apparatus and merchandise to produce acetylene gas for illuminating and other purposes, and generally to carry on the business of the Company within the Province of New Brunswick and elsewhere in the Dominion of Canada.

(b) To acquire patent rights, franchises and licenses in an acetylene gas generator known as The Eureka Gas Generator, now held or owned by Merwin W. Carrier and Wilford B. Jonah, or for which the said Merwin W. Carrier and Wilford B. Jonah have made application at the Patent Office for the Dominion of Canada, and also to acquire other patent rights and privileges and franchises, trade-marks, licenses, rights, shares of any other similar business or businesses, body corporate or bodies corporate, and to pay for the same either in cash or paid up and non-assessable stock of the proposed Company when incorporated, and to sell and dispose of said patent rights, franchises, privileges, trade-marks and licenses, or any part or portion thereof, with all the necessary powers incident thereto, and to manufacture and sell the said Patent articles or commodities.

(c) To manufacture and contract for the manufacture of any patent rights, franchises, trade-marks and privileges, to buy, sell and manufacture, trade or otherwise deal in every class of goods, commodities and merchandise necessary for the manufacture of acetylene gas in any manner whatsoever, and for the full and complete use and employment of said gas for the purpose of producing heat, light, power, or otherwise, and for the manufacture of electric sparking devices for acetylene burners.

(d) To buy, sell, lease and carry on a business of dealing in gas machines, generators, purifiers, lamps, appliances, commodities for the use of acetylene gas for the purpose of producing heat, light, power, or otherwise, and for the purpose of the business of the said Company to purchase, sell and dispose of all kinds of tin, zinc, iron, sheet iron, galvanized iron, brass and steel, manufactured or unmanufactured.

(e) To buy, sell and deal in carbide and any other material whatsoever that may be used for the production of acetylene gas, either by wholesale or retail, and to buy, acquire or contract for any patent rights or other rights, privileges and franchises or licenses for the purpose of buying, selling, manufacturing and dealing in carbide or other substances for the making, manufacturing and producing such acetylene gas, or for the machine, or part or parts or appliances or apparatus necessary for the manufacture of said acetylene gas.

(f) To act as agent for, buy, acquire, import, hold, deal in and keep, sell and dispose of and manufacture all such stock in trade, goods and chattels, wares and merchandise of every nature and description deemed necessary and advisable by the Company for the purpose of carrying on said business.

(g) To subscribe for, take, hold as a partner or partners in any firm or partnership, and to hold, take, subscribe for or otherwise acquire stock or shares in any other Company or Companies for the manufacture of said gas, machinery, appliances, patent rights, privileges, licenses, trade-marks, as similarly and as freely as a natural person might do, and generally to do all things necessary or expedient for carrying out the objects of the said Company.
