

Rules and Practice of the House of Assembly.

PRIVATE BILLS.

78. A typewritten copy or printed copy of every Private Bill or Local Bill introduced into this House shall be filed with the Clerk of the House within ten days after the opening of the Session, and in case of failure to comply with this provision the fee on the introduction of any such Private Bill shall be double the fee provided for in Rule 84 applicable to such Bill, and Local Bills introduced after ten days of the opening of the Session shall pay the same fee as a Private Bill.

79. No Private Bill, or Bill making any amendments of a like nature to a former Act, shall be received by the House, unless a notice specifying clearly and distinctly the nature and objects thereof, has been published four successive weeks previous to the meeting of the Legislature, or to the introduction of the Bill, in some one of the newspapers published in the County interested in or to be affected by the measure, or in the locality where the parties affected, or the majority of them, reside; and when no newspaper is published in such County or locality, then in some newspaper published in the nearest adjoining County in which a newspaper is published, and also in the ROYAL GAZETTE. When the City or County interested in the measures, or the locality in which the parties affected reside, is largely composed of a French population, then such notice shall also be published in a French newspaper if any be published in the Province.

80. In any County where no newspaper may be published, the Bill, in lieu of other local publications, may be read at the Assizes in the presence of the Grand Jury, or before the Municipal Council of the County interested in or affected by the Bill; and a Certificate of such readings shall be endorsed upon, or attached to, the said Bill, by the Clerk of the Court or the Town Clerk, or the Secretary-Treasurer, as the case may be, verified by the Seal (if any) of the Court, Town Council, or Municipal Council, as the case may be; and separate Petitions may be presented to the House, setting forth in detail the object of the measure, and the reasons that may be urged for its adoption.

81. It shall be the duty of all parties seeking the interference of the Legislature in any private bill, to file, with the Clerk of the House, the evidence of their having complied with the Rules and Standing Orders thereof.

82. No private bill shall be received unless it shall be certified by the Receiver General upon the bill, or by Certificate annexed thereto, that there has been paid into his hands towards the printing and other contingent expenses of the House, the fees following, namely:

On Bills other than for the incorporation of Companies, \$40 00
On Bills in amendment of such Acts, 30 00
On Bills for the incorporation of Companies, fees to be paid according to the amount of capital, and to be the same as are imposed under the Letters Patent Act for Companies which may be incorporated under that Act.

On Bills amending the last mentioned incorporating Acts, one-third of the original fee.

On Bills for the incorporation of Companies or Associations not having a stated capital, 40 00
On Bills in amendment of such Acts, 30 00

Provided, that where a Bill in respect of which such payment has been made does not pass the Legislature, it may be introduced at the next following Session upon the payment of an additional sum of \$10;

And provided, that this Rule shall not extend to local Bills, not of private nature, or to Acts for the incorporation of Cemetery Companies or Churches, or relating to the property or objects thereof.

71. No Bill shall be read the second time until it has been printed according to a form to be prescribed by the Clerk of this House, and a sufficient number of copies thereof, folded, and with the title and name of the Member who has introduced the same, and the number of the Bill endorsed thereon, have been distributed for the use of the Members, and the Clerk-Assistant shall have certified accordingly on the Orders of the Day, thus: "Printed," signifying that it has been printed according to this Rule, and distributed.

155. When Bills are presented to the House any section or section of which are intended to amend a section or sections of previous Acts, either by adding to or striking out therefrom any words or clauses, the intended amendment should be first stated and the section or sections amended as proposed should then be set out in full.
